Bakker makes valid points on handling traffic offences

Council was advised by letter in September of the formation of the Alberta Review Board by the provincial government to review the administration of justice in provincial courts, along with the order in council listing the terms of reference. Invitations were made to all interested persons or organizations to submit within the terms of reference. Committee of the whole meeting October 9 recommended to council that staff prepare a submission, based on direction from council. Coun. Fyfe said she had received a copy of the St. Albert Chamber of Commerce brief and they felt the town might be interested in those areas as checked.

Councillor Bakker felt the matter of traffic offences, whether dealt within court or in a more informal manner, should be part of any presentation made by council. "Traffic - not council - should be treated," he said, in reference to the existing system of issuing signs for traffic offences, which nets funds for the municipality. These offences are better handled by interviews on a more informal basis, rather than through very strict fines he said. Coun. Bakker also felt that the present system often serves to make the offender very angry and therefore not a good risk when he drives away. "The present court system makes drivers more and more dangerous.

The more informal interview system works quite successfully in some states," he said, and people who are fined are required to take further driving training. He further criticized the present system for the fact that the cases are not treated in any depth.

Coun. Fyfe asked if the report had been prepared and was told no by the mayor, who observed that the committee request was just now before council for approval. Coun. Fyfe thought council should look into an expanded court facility and cost. "At present we rent premises to the province - I would like to see a Provincial court building," said the mayor, "but we might PLEASE TURN TO PAGE 2

St. Albert Department of Public Works employees erected parallel parking signs along Perron Street Tuesday afternoon. Above is one of the signs located in front of the Community Hall which clearly says "Parallel Parking Only" . . . and an arrow points northward to the other sign located at the corner of Perron and St. Anne. Quite obviously the six motorists whose vehicles are "Angle Parked" as shown above didn't park second in line to the left? Yep, you guessed right . . . it's fire engine red in color. The Parallel Parking Bylaw was passed in third reading at Monday's meeting of council, therefore, angle parking in this area from in front of the Post Office northward is a no-no.

Local committee invites RCMP project applications

As part of the celebrations planned to mark the RCMP Centennial, the Province has allocated substantial funds to assist community projects dedicated to the centennial celebration.

The St. Albert RCMP Centennial Committee met last Wednesday evening with Dr. T. M. Walker, co-ordinator for the province, who explained how a project can apply for a provincial grant of 50 per cent, up to a maximum of \$20,000 per project.

The local committee would like to have all applications in by October 24 and are advertising in this

issue. Attending the meeting were Mayor Ray Gibson, Sgt. E. L. Rheault and Roy Hart and Jack Post of the local Police Commission, and 11 community representatives: S/Sgt. J. D. Clark of the St. Albert RCMP detachment, Erling Wingquist and Bill Hite of the Kinsmen Club, Dick Ryley of the Lions Club, Andy Boyer of the Museum, Wally Swenarchuk and W. Taylor of the St. Albert Branch, Royal Canadian Legion, Colin Levagie of St. Albert Parish, Sylvia Walsh of School District #3, Nick Chodan of District #6 and Arlene Borgstedt of the Historical Society.

Dr. Walker briefly recalled the history of the NWMP and their arrival in Alberta in 1874, noting that this was a unique situation where law preceded government. He explained brochures distributed at the meeting on how to prepare a submission and details required in an application. The province would like to see all Albertans drawn into the celebrations next year, he said, especially young people. He stressed the importance of preparing proposals which qualify for government support.

Mayor To Try For \$1,000 in Skate-a-thon pledges

The Kinsmen Club of St. Albert are pleased to announce that Mayor Ray Gibson will take to the ice on Sunday, Oct. 28 when their annual Skate-a-thon is being held. Furthermore, Mayor Gibson has set himself a goal of \$1,000 in pledges which, if achieved, will be a particularly noteworthy contribution to our community. You can be sure that the Kinsmen will cheer every lap which Ray Gibson completes.

As mentioned previously, Lt. Governor Grant MacEwan will be in attendance and he will also be skating in the earlier session, at 10 a.m. with our younger children.

Alongside Lt. Governor Grant MacEwan and Mayor Gibson will be Roger Bourbonnais, a skater all of St. Albert can be proud of as a former captain of the Edmonton Oil Kings and member of the Canadian National hockey team. Alderman

Dave Ward will also be skating bringing support from the City of Edmonton and local MLA Ernie Jamison, although unable to skate because of injury, will be in attendance to give vocal support.

This year, as in past years, every person who skates will receive a special Kinsmen Skate-a-thon crest when they turn their money in and there will be prizes too for the people who turn in the most money. These prizes range from special Kinsmen Skate-a-thon jackets to new skates and there are both boys and girls categories.

In addition there is to be a group prize offered this year. Any group of people not exceeding fifteen (family units can combine if you wish) can compete, and the group which turns in the most money will be taken out by the Kinsmen Club for an evening which will include a visit to an Oiler hockey game. The group will have to skate in the same session and identify their group to the Kinsmen when they report with their pledge cards.

The Kinsmen Club of St. Albert is presently studying various new service projects but of course these all require a great deal of research and investigation, before one is decided upon.

C. Schroder Re-elected Chairman

Chairman Charles Schroder of the St. Albert Protestant School Board was re-elected by acclamation Wednesday to serve another term of office until the general election of the entire board in October of next year.

Newcomer to the five-man board, Trustee Bill Webber, elected last year during a Fall byelection, was voted by acclamation as co-chairman.

No other elections or appointments were made at the Protestant School District's reorganization meeting. Chairmen of the various standing committees and appointed standing delegates to the various associations will remain static until the fifth member of the board, Dr. W. Cuts returns from his holidays to resume his seat for the first meeting of November.

However, the board did re-appoint the firm of Price-Waterhouse and Company to continue in the capacity of auditors to the board.

Conducting the reorgani-

zation meeting as temporary chairman was secretary-treasurer George Hargreaves, Mrs. Muriel Martin, assistant superintendent of the system performed the duties of superintendent while Elmer Gish is away on a holiday-business trip in Europe. Mr. Gish is expected to be back on duty for the October 24 meeting at which time he will table a report on his findings re: School systems in Britain and Continental Europe.

CHARLES SCHRODER

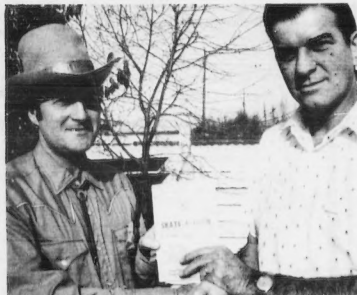

You give someone lives

The Catholic Women's League is sponsoring a Red Cross Blood Donor Clinic next week which will for the first time operate for two evenings, rather than one. There is an urgent need for blood for the Red Cross service and the members hope that more people will be able to attend under this arrangement.

Co-ordinators Helen Boegart and Evelyn Blais urge

all local residents to make a particular effort to get down to the clinic either Monday night or Tuesday night in the St. Albert Community Hall. The clinic will operate from 6:30 to 9:30 both evenings.

Giving blood is painless and does not take much time. The volunteers and Red Cross staff will take good care of donors and provide a cup of coffee afterwards.

Mayor Ray Gibson accepts the first Skate-a-thon pledge card from Kinsman John Graves, this year's skate-a-thon chairman. Mayor Gibson is aiming to collect at least \$1,000 in pledges this year and up to press time had already had pledges well in excess of \$150.00.

CONTINUED FROM PAGE 1

Resources of private industry will be available to projects and the Provincial Committee is open to suggestions. Some projects are already underway.

In St. Albert the local committee will be co-ordinating projects and celebrations and they will welcome ideas from residents and showplaces for funded projects.

In 1874 three hundred men rode out of Dufferin proceed-

R.C.M.P.

ing into the area that is now Alberta and Saskatchewan to meet with the Indian chiefs for two reasons. One was to bring law to an area that had known none, to protect Indian and settler alike. The other was to form a treaty with the Indians that would allow the railroad to go through and bring Canada closer to total confederation. The exploits of these three hundred and their leaders are part of the history of the West. The

original outposts, Ft. Macleod and Ft. Saskatchewan, became centres of an ever growing circle of peace. Other forts sprang up and settlers began to flock to Alberta.

1974 marks the one hundredth anniversary of the arrival of the Police. It's an opportunity to show Canada that Alberta is proud of its century of history and the men who played so decisive a role in it.

traffic offences

CONTINUED FROM PAGE 1 have to provide the land," Coun. Bakker pointed out that the submission to the Review Board under discussion is not the place for such representation.

Councillor Fyfe moved to amend the committee recommendation by adding "and presentation that may be made by the Chamber of Commerce." "Is it the intent that the submissions go together?" asked Coun. Hudson, and Coun. Fyfe replied "Yes - I talked to lawyer Gaffney tonight. When he originally circulated the letter on the Review Board he thought the town should make a presentation - and otherwise the Chamber would."

Coun. Bakker said he didn't know whether he wanted to be part of a submission, not knowing what it was, and Coun. Lukay agreed. Pointing out that the 12th is the deadline, Coun. Fyfe said she would like to see a comprehensive presentation made at this time. The mayor said he would phone Mr. Cochrane, president of the Chamber on Tuesday. Vote on the Fyfe amendment lost 5-1 and the committee recommendation carried. The mayor noted that spoken presentations can also be made at the Review Board hearings October 26 and 27. Councillor de Bruij was absent at Monday night's meeting.

5.9% bilingual on prairies

The percentage of people in Canada who speak both English and French increased from 12.2 in 1961 to 13.4 in 1971.

A report published by Statistics Canada shows there were 2,900,000 bilingual people in Canada in 1971, an increase of 669,000 in 10

years. In the prairie provinces, 207,320 people, or 5.9 per cent of the population, reported they could speak both English and French; in 1961 the figure was 167,362.

The number of people who spoke languages other than English most often in the home was 415,315, or 11.7 per cent of the total population of Manitoba, Saskatchewan and Alberta. Of this group, 2.2 per cent spoke French, 2.4 per cent spoke German, and 2.4 per cent spoke Ukrainian.

In metropolitan Calgary, 25,055 people, or 6.2 per cent spoke languages other than English most often at home. There were 16,670, or 4.1 per cent who reported they were bilingual in English and French.

In metropolitan Edmonton, 46,295 people, or 9.3 per cent, spoke a language other than English most often at home. This included 10,420 who spoke Ukrainian, 8,295 who spoke German and 7,860 who spoke French. The number of persons who reported they were bilingual in English and French was 30,725 or 6.2 per cent.

Sight problems ?

The St. Albert Public Library has just started a collection of large print books for the benefit of readers with sight problems. At present 50 titles are available in a special section of the library's adult fiction collection, and more will be added regularly.

The titles have been chosen for their popularity and include such authors as Elizabeth Goudge, Helen MacInnes, Howard Spring and Morris West. Romance, western, mystery and the classics are included.

Patrons are free to borrow these large print books as ordinary library materials. More will be added as the demand dictates.

The St. Albert Catholic School District award for academic proficiency in grade 12 went to: Annette Durand, Maureen England, Barbara Kluthe, Debbie Brennels, Marieta Boddez. Not present to receive his award was Richard Garlepy. Presentations were made by chairman of the board Mr. Ernest Howrsh seen above with the distinguished students.

St. Albert to Host Tourism Delegates

At an executive meeting of the Midnight Twilight Tourist Association held in August, all members present voted in favor of holding its annual meeting here at the new St. Albert Inn. According to Gary Johnson, secretary-manager of the association, also local directors Harry Huthelings and Gerry Belke, the Midnight Twilight's First Annual Meeting will be held October 21 and 22.

The two-day meeting will start Sunday afternoon Oct. 21 with a board of directors' session followed by a dinner at the St. Albert Inn, compliments of Calgary Power Ltd. All delegates and guests are welcome. The dinner will be followed by a pre-registration period starting at 8 p.m. Immediately after registrations have been taken, entertainment and a social evening will be held.

Monday, October 22 sessions commence at 8 a.m. when more registration time will be allowed latecomers. The price is \$6 per person. Delegates will be addressed by president Robert Armstrong of Athabasca; Mayor Ray Gibbon of St. Albert and Chamber of Commerce President Harry Cochrane. By about 9 a.m., delegates will be launched into the full business end of the meeting. This will include reports from the president, the secretary-manager, the treasurer and area representatives.

The noon luncheon, sponsored by the St. Albert and District Chamber of Com-

merce is scheduled for 12:30 p.m. Guest speaker will be George McDonald, president of Tourist Industry Association of Alberta (TIAALTA).

During the afternoon more sessions will take up the remainder of the day with annual meeting business, consideration of resolutions and election of officers and directors.

Once the business sessions have been adjourned, delegates and guests will relax during a social period, followed by a dinner.

HON. J. ALLEN ADAIR

day meeting. Also attending the Midnight Twilight Annual Meeting will be Dr. MacCallum Walker, co-ordinator Alberta RCMP Century Celebrations Committee. Dr. Walker will address delegates and guests on the wide range of ways people of Alberta can participate in the 1974 RCMP celebrations and qualify for financial assistance.

Although it's quite premature at this time to speculate on how many delegates will attend the first annual meeting of the Midnight Twilight Tourist Association, representatives are expected from High Prairie, Athabasca, Swan Hills, Slave Lake, Westlock, Barhead, Ft. Assiniboine, Leduc, Clyde, Smith and other centres.

HON. ROBERT DOWLING

Two Alberta Cabinet Ministers, Hon. Robert W. Dowling, minister of tourism and Hon. J. Allen Adair, minister without portfolio responsible for northern development will attend the annual meeting and address delegates and guests during the Monday portion of the two-

Town of St. Albert

PUBLIC NOTICE

The St. Albert R.C.M.P. Centennial Committee invites applications for assistance from individuals, community organizations, service clubs and any groups willing to promote a proposal for commemorating one hundred years of growth in Alberta of the North West Mounted Police. Cost sharing grants up to a maximum of 50 per cent of the cost of the project with a maximum of \$20,000.00 will be considered. The St. Albert Centennial Committee will assist with the preparation of the application for submission to the Alberta-R.C.M.P. Century Celebrations Committee for their approval. Please contact the Town Office at the corner of Grandin Road and Sir Winston Churchill Avenue for application forms and information on the subject. APPLICATIONS WILL BE CONSIDERED BY THE CO-ORDINATING COMMITTEE ON WEDNESDAY, OCTOBER 24, 1973 AT 7:30 P.M. IN THE CLUBHOUSE.

Museums must respond to community -Ackerman

"Junior Historical Groups are only one way to involve the public in a local museum," said Mr. Dan Ackerman, extension officer from the Provincial Museum and Archives when he spoke to the general meeting of the St. Albert Historical Society on Thursday, Oct. 4. "These young people can be involved in a number of programs with proper training and guidance, such as 'Basement, Attic and Barn' searches for artifacts, school or shopping mall displays and historical reference libraries."

"With some 60 museums located throughout Alberta and outside Edmonton and Calgary, it is evident that many smaller museums must rely on the volunteer work of community mem-

bers."

"Volunteers," continued Mr. Ackerman, "can carry out many programs of benefit to the community, the museum, and the volunteers themselves. Programs geared to the abilities and interests of volunteers could include exhibit interpretation, publicity, telephoning, research, displays and cataloging."

"However, museums must recognize the equally important responsibility they have to their public. The general public must be enthusiastically informed of museum projects and goals. New acquisitions and displays, programs and hours of operation are all newsworthy."

"A satisfied visitor to the museum will advertise for you," said Mr. Ackerman, "so you must provide good programs and good interpretations."

The involvement of the business community is invaluable; and a worthwhile project, properly advertised will bring response.

Mr. Ackerman then went to outline many possible projects that could be undertaken by museums, many of which are incorporated at the Provincial Museum.

MUSEUM WORK MEETING

Mrs. Borgstede, president of the Society, announced at the general meeting the scheduled dates of Oct. 26, 27 and 28, for the Alberta Museums Association meeting to be held in Red Deer. She extended an invitation to any Society member who would like to attend this meeting to contact her. Transportation is available. "These meetings provide an excellent opportunity to learn more about museum work and meet people involved with museums throughout Alberta."

Registration fee is \$10 which includes a wine and cheese party Friday night, noon lunches, cocktails and banquet. The Canadian Museum Assoc. will subsidize 50 per cent of accommodation costs.

Guest speaker for Saturday's night banquet will be Mr. Tony Cushman speaking on "Telephone Development and the People."

A tour of the Red Deer Museum has also been planned.

LETTERS to the Editor

Hero or Bandit Almighty Voice

The Editor:

Having read the article on "Almighty Voice" entitled: Let's tell it the way it is! we feel it important to put a little salt to the "historical facts" presented to us. The words ring loud and clear according to the author that Almighty Voice was nothing more than an Indian bandit, hardly a hero! (Gazette, Oct. 10). We as former residents of Almighty Voice country, in Duck Lake, Saskatchewan, would like to make a few comments on this article.

We would hate to have Almighty Voice judged by one article only. It seems that historical fact is often interpreted according to the "pair of glasses one wears," or "the moccasins that one walks in." For example: -- the author of a doctoral thesis in history has made a study of the historical facts surrounding the life of the controversial figure: Louis Riel. In this thesis, (published under the title: Thunder in the North), the author relives the "Riel Rebellion Days" and parallels the interpretation of the French Press and English Press -- the results are interesting as the reader is left with at least two stories of the life of Riel.

But isn't life that way? Ever since the beginning of the present conflict in the Middle East, "reliable sources" from each side have been "faithfully reporting" major victories and advances which would seem to indicate that everyone is winning the war.

Thus, because it depends on the point of view one chooses and because it depends on which historical facts are used to put flesh and blood to the past life of a man such as Almighty Voice, may we suggest this bit of wisdom: Enjoy historical facts, and always be fair to a defenseless dead man who is a subject of controversy.

One fact remains very conclusive -- for some Almighty Voice is a hero -- for others he isn't.

Andy Boyer and
Colin Levangle.

The Editor:
Mrs. Walsh is to be complimented for her excellent letter (Oct. 10) which told the history of Almighty Voice in all fairness, however, it should be pointed out that the St. Albert Historical Society neither suggested that Almighty Voice was a martyr or a hero nor that any person(s) were heroes in this incident. Such conclusions are left to individual opinion. However, it is this writer's interpretation that the Almighty Voice incident marked a tragic time in Canadian history. The Indian population was rapidly declining; Indian leaders were disgruntled with treaty settlements, and the federal government's inattention to Indian affairs was notorious. Placed in this historical perspective, Almighty Voice marked a tragedy in Canadian history.

Jim Parker,
Vice-President,
St. Albert Historical Society

Parks Policy Needed

The Editor:

I was interested in reading the comments and questions raised by William Marsham in the Gazette concerning the rezoning of agricultural land in Forest Lawn to residential single family dwelling lots. He wonders whether the public hearing concerning the rezoning is meaningless inasmuch as the land is being cleared and drainage is being installed notwithstanding the public hearing.

Recently, the town council delayed the rezoning of lands between Sturgeon Road and the river, west of the Kannels, for consideration of the costs of acquiring the land for use as park. Since that council meeting and pending the holding of a further public meeting, we have seen that land being staked by surveyors, presumably for residential purposes. I trust that the reference to the public concerning this land is,

again, not a meaningless gesture.

I hope that the representations which have been made will impress upon council that a Parks Policy is required desperately and quickly, and that, before any further subdivisions are approved, council considers whether those lands are more urgently needed for park, and investigates methods of acquiring the lands for the benefit of the townspeople.

S. G. Romaine,
Beacon Cres.

Protests Gazette Policy

The Editor:

With reference to your form letter of Sept. 20, 1973 regarding the Mother's Day Out Program, the St. Albert Help Society declines to advertise at a cost of \$2 per week.

It is with regret that we observe the intent of this move on the part of the Gazette. We are sure you are well aware that this is a non-profit organization which, in fact, runs at a deficit. It is also probably the P.S.S. program which reaches more citizens of St. Albert than any other. By denying us this publicity in the Billboard, you are perhaps depriving many of your subscribers of the opportunity to take part in the program.

Mrs. Linda A. Kuzs,
President, St. Albert
Help Society,
28 Gladstone Cres.

EDITOR'S NOTE: The Gazette "Billboard" was set up some years ago as a free-space calendar of upcoming events. Later, standing notices of meetings, blazons etc. were also accepted. But when these reached the point that they took half of the space planned, the result was that upcoming activities had to be left out, and the intent of the calendar was defeated.

Farther Afield

A federal government fitness research project completed recently at the University of Saskatchewan, has provided evidence that the fitness level of Canadians is lower than that of people in other countries where comparable studies were made. Test on Saskatoon residents indicate that the fitness level of both sexes is low, but more critical for women. Forty-seven per cent of the women scored in the low-fair category and 40 per cent of the men. Women in the age group 20 - 29 years had the lowest fitness rating of all, with 54 per cent scoring in the low-fair category. The project involved 1,544 people representing a broad cross section of the city, ranging in age from 15 - 69 years, and results also confirmed that those who are inactive or sedentary scored lower in cardio-respiratory fitness than those physically active.

Billiard Rooms Act To Change December 1

Billiard rooms in Alberta will come under the jurisdiction of municipal governments starting December 1.

The private member's bill introduced by Peter Trynchy Conservative M.L.A. for Whitecourt places control of billiard establishments directly under municipal governments.

The new Act, amending the Municipal Government Act becomes law December 1st, 1973 with the repeal of the Billiard Rooms Act.

The owner of a large company was offering \$25,000 for the employees' money saving ideas. First prize went to a man who suggested the amount be cut to \$10,00.

ker, a refreshing experience. The setting is in southern Alberta and the characters have a way of taking hold and refusing to leave the reader. In addition the story provides background insights on rodeo competition which are sure to appeal to many Albertans. We must agree with Ross Macdonald of the New York Times that this is "one of the most enchanting novels ever written."

*** **

A Financial Times of Canada report in the Oct. 8 issue suggests that housing is beginning to slow. A recent study by the realty firm A. E. LePage Ltd. refers to a decline in residential

construction in Metropolitan Toronto, with housing starts for August down 24 per cent, compared with the same month last year. Multiple dwelling starts were down 33 per cent. CMHC figures released this month in Quebec show a similar trend in the province's four metropolitan areas. The Times reports however, that this year is certain to set a new record for housing starts, with CMHC estimating a year end figure of 260,000 compared to last year's 249,914. Shortage of serviced land and building materials, together with high interest rates may be putting a brake on new residential construction, according to the report.

Government, Police Forces Cooperate to get Impaired Drivers off Roads

A massive, province-wide education and enforcement campaign aimed at reducing alcohol-related traffic deaths has been announced by Solicitor General Helen Huey.

Miss Huey outlined a two-pronged campaign, comprising an intensive information phase which begins immediately, to be augmented next month by a major crackdown by R.C.M.P. and municipal police forces.

Police action will include numerous spot checks, at which police will stop groups of cars at random to examine registration and insurance documents.

While conducting these checks, police will be watching for signs of impairment, and drivers who have had too much to drink can expect penalties ranging from a verbal caution or a 24-hour license suspension, to immediate arrest, substantial fines, and even jail terms.

A recent survey conducted for the solicitor general's office showed the public is largely unaware of the magnitude of the drinking driver problem, but concerned with it.

"Although Albertans don't know how many people are killed and injured by drinking drivers every year," commented Miss Huey, "our survey uncovered a demand for increased police action."

Last year 400 Albertans died in traffic accidents and 8,600 were injured. Police statistics indicate that at least half of the deaths can be attributed directly to driver judgement impaired by alcohol. A death toll of 600 has been predicted for the 12 months ahead.

The information phase of the campaign will use advertisements in newspapers and the broadcast media to communicate the seriousness of the problem.

Miss Huey said that up to 120 spot checks, to be known as "Check Stops," will be in operation throughout the province. "Most people will be willing to put up with this minor inconvenience when they realize our action may save the lives of them and their families," she said.

Officials who took part in opening ceremonies of St. Albert's 'Safety Daze' Exhibition are left to right: Gordon Goodman, president St. Albert Safety Council, John Smith, provincial director PSS, Jim Falconer, past president Alberta Safety Council, Ernie Jamison, St. Albert MLA and Ray Gibbon, mayor of St. Albert.

'Safety Daze' Alert Citizens Of Dangers

'Safety Daze' in St. Albert featuring several live and static safety displays in Grandin Shopper's Park got off to a rousing start Friday noon, October 5. Present to officiate at opening ceremonies were: Ernie Jamison, MLA for St. Albert who brought greetings from the Provincial Government; Mayor Ray Gibbon of St. Albert; John Smith, provincial director of Preventive Social Services and J. F. Falconer, past-president of the Alberta Safety Council. Introducing the officials was Gordon Goodman, president of the St. Albert Safety Council.

Live displays included radar equipment shown by the St. Albert RCMP Detachment; Safety Equipment for home and business displayed by Arctic Supply Ltd., Snow-

mobile equipment and accessories by the St. Albert Snowmobile Club; an elaborate display by the St. Albert Fire Department and an audio visual display on safety by the Sturgeon General Hospital. Static displays depicted areas of concern in The Human Journey; Alcoholism and Drug Abuse; Poison Action Centres; Health and Welfare as well as an impressive display of posters made by all elementary school students of grades 2 and 3 illustrating safety hints.

On Saturday, Tiger Goldstick, noted radio personality awarded silver dollars to the winners of the poster contest. First prize winners received five silver dollars while second place winners got two silver dollars.

VITAL GRANDIN: Grade

2 - Darryl Boddy 1st; Kenneth Kuehnemuth, 2nd, Gr. 3 - Todd Curial, 1st; David Pataky, 2nd.

SIR ALEXANDRA MAC-KENZIE: Grade 2 - Kathy Geddes 1st; Jill Kern 2nd. Grade 3 - Willy Plagman 1st; Christine Dawson 2nd. ROBERT RUNDLE: Grade 2 - Margareta Burnett, 1st; Carrie Galicia 2nd. Grade 3 Patti Bennett, 1st; Christine Martin 2nd.

LEO NICKERSON: Grade 2 - Colleen Schalm, 1st; Kenneth McCourt, 2nd. Gr. 3 - Cheryl Determan, 1st; Sami Dent, 2nd.

ALBERT LACOMBE: Gr. 2 - Cindy Swiney, 1st; Dean Bosch, 2nd; Grade 3 - Dale Toker, 1st; John Kirsch, 2nd.

During a visit last week to Marshall, Saskatchewan, a delegation of interested citizens including government officials, representatives of the health unit, the MD of Westlock and the hamlet of Vimy were impressed with the effects a \$50,000 water and sewage system has had on that village of about 225 residents.

The delegation made the journey to the picturesque Saskatchewan village to view in action a plastic pipe water and sewage network. Of particular interest was the economical, yet very functional system which has been in operation for almost seven years. Hopes of the dele-

gates was to bring back data which could be of use in implementing such a water and sewage system in small Alberta centres, where conventional and costly systems are unrealistic.

Mayor Jim Broley of Marshall informed his visitors from Alberta that his village has made significant strides forward, especially since water and sewage had been installed in the Fall of 1967. "Marshall was not only stagnating," Mayor Broley said, "but in fact it was dwindling in population and activity until we decided to put in water and sewage facilities."

Since the Fall of 1967, when the system was officially turned on, Mayor Broley said that his villagers stopped thinking of moving into neighboring metropolitan centres while newcomers started migrating away from the 'cities' to establish homes in Marshall.

The mayor further explained that new citizens are officially welcomed into the village, they're delegated a position of local responsibility and thereby become an integral part of Marshall.

"We have a great community here," the mayor said proudly, "and we attribute our success in this regard to the fact that we can offer our residents city amenities."

It was interesting to learn that Marshall, Saskatchewan has lured many citizens away

from Lloydminster and other Saskatchewan cities and the majority of these new citizens are young couples with growing families. Mayor Broley concluded by saying that at the moment Marshall has about 45 preschool children and plans are being formulated to start a kindergarten - nursery facility.

Engagement

Announcement

Grace and John Hart, formerly of St. Albert, wish to announce the engagement of their daughter, Marilyn Karen, to Mr. Robin Birch, son of Mr. and Mrs. T. J. Birch, Calgary. The wedding will take place July 20, 1974 in Tsawwassen, B.C.

CLOSING OUT SALE

Boy's Shoes \$2 - \$4, Girls Shoes and Boots \$3, pair. Ladies Shoes - \$3 - \$6. Stereos and 8 Tracks. Paints and Supplies, Giftware and Jewellery, bicycles etc., at bargain prices. Everything must be sold.

Protestant S.D. No. 6 May Extend Bus Policy

At last Wednesday's regular meeting of St. Albert's Protestant School Board, Trustee Jim Wiltshire had his motion approved in principle regarding additional school bus runs to accommodate more students.

According to school board policy, following the provincial busing grant structure, students living beyond 3/4 mile and 1 1/2 mile from school (elementary and high school respectively), qualify for bus service. All other students are not eligible and some parents have written

to board members for a change in policy.

Trustee Wiltshire informed his colleagues that he had received complaints, also addressed a meeting of concerned parents on the subject of busing. In his motion, Trustee Wiltshire suggested that the board consider having present school buses under contract make an additional run in order to transport students whose parents are willing to pay for the additional service. Mr. Wiltshire added to his motion that school opening hours be staggered and a monthly fee per pupil be established.

In qualifying his motion, Mr. Wiltshire explained that the board ought to be prepared to support requests from parents who are willing to pay the cost for extra bus service. The motion was carried.

WATCH OUT FOR TOO MUCH ENERGY. THERE'S A REFRESHING NIP IN THE AIR

Everybody feels like getting things done and you usually set out to do it with a zest. But, do not overdo it for sometimes that sudden burst of energy can put you flat on your back.

BACK TROUBLE CAN BE SERIOUS.

But sometimes if you react quickly to the first signs of a back pain problem you can overcome it with rest.

DON'T WAIT TOO LONG

If the pain does not go away in a relatively short period of time consult with your physician. You may have done more damage than you thought.

IF MEDICATION IS ORDERED FOR YOU WE WILL BE PLEASED TO GIVE YOUR PRESCRIPTION OUR FULLEST PROFESSIONAL ATTENTION.

Opening game Friday in Jr. Hockey League

The opening game of the Capital Junior Hockey League will be played this Friday in St. Albert when the hometown Bruins play host to the Waterloo Mercurys. Game time is 7:30 p.m.

Bruins are a second year entry while the Mercurys are competing for the first time. The name Waterloo Mercurys has been off the sport pages for some 20 years now, but middleage fans will remember them as the World Champs in 1950 and Olympic Champions in 1952.

Four of the players on that team now own Waterloo Mercury Sales.

The league will operate with seven teams this season with three new clubs, Leduc Riggers and Stony Plain Flyers and Stony Plain Flyers joining Fort-Saskatchewan Traders, Sherwood Park Knights, U of A Bearcats, Waterloo Mercurys and St. Albert Bruins.

Stony Plain Flyers who competed in the Central Alberta Junior League last year have the great NHL goalie Glen Hall as their coach. Hall needs no introduction to hockey fans as perhaps the greatest netminder in the past 20 years. Glen now farms in the Stony Plain area and will be a great asset to the league.

Two of last years members, North Side Comets and South Side Metros are not in the league this season.

U of A won the league title and provincial Junior B crown last season. One of their two defeats was at the hands of the Bruins in a 10-7 loss.

Bruins are rebuilding this season with only eight play-

JIM EDWARDS

BOB WALLACE

ers back from last years team. Some of the ones not returning are Brad Rix, Greg Hatch, Greg McRae, Gerry Langevin, Rick Burry, Dave Lockhart, Jan Kristensen, Ray Gauthier, Dave Lebech and Alex Jensen.

Players still on the club from last year are Craig Neeser, Doug Ferguson, Marcel Tourangeau, Darcy Brisson, Jim Edwards, Jim McComb, Kelly McAvoys and Bob Wallace.

Coach Ken Schwartz has a number of new faces in camp including Perry Whan who played for the Edmonton Mets last year. Whan is a forward and will centre a line with Ferguson and Neeser.

The second line will be Jim McComb in centre with wingers Rob Pearn and Gary Mann. Mann is a St. Albert resident and played for Lethbridge last year.

The third line will consist of Bob Wallace, Jay Litke and Danny Prefontaine. Prefontaine is from Morinville while Litke is

from the U of A.

Matt Lister, Darcy Brisson, Mike Davids and Kelly McAvoys are the remaining forwards.

The defense will have Jim Edwards, Marcel Tourangeau, Jim Hole, Bruce Parks, Richard Belland and Gilbert Bilodeau on the blue-line.

Richard Davidovitch will be the #1 goalie as soon as he gets off a knee injury. In the meantime Cary Winquist will probably start in goal.

Official ceremonies will begin at 7:15 with MLA Ernie Jamison saying a few words and Mayor Ray Gibbon on hand to drop the first puck.

Bruin owners Ron Yanosik and Garth Leask are looking forward to the club providing entertaining hockey for St. Albert and district fans.

They feel with the addition of Leduc and Stony Plain there will be a lot of rivalry involved as there is with the two senior clubs.

Three big reasons why the Jasper Auto Parts Comets expect to have a most successful year are Dave Couves (left) Mike Lemieux (centre) and Paul St. Cyr. All are ex-Golden Bear players and will give the Comets a big boost.

Comets Open Season Sunday with Inter-squad Game

Senior hockey fans in St. Albert will get their first look at the Jasper Auto Parts Comets this Sunday when the team will play a intersquad game. (7:30 p.m.)

Sophomore coach Gary Checknita has had a good camp with a number of excellent prospects turning out Comets domination of league play and fine provincial playoff record are no doubt the reason for the fine turnout of talent.

There probably will be at least 10 new faces in the line-up this season led by some fine graduating Golden Bears from the U of A.

Leading the list is Dave Couves, captain of the Bears

last year and who also played in the World Student games. Team mates Paul St. Cyr and Mike Lemieux will join Couves and all three look impressive.

Two of Leduc Oilers top players last year, Gary McCooye and Dan Towpitch, are looking great and should have no trouble making the club.

There are no less than eight defensemen competing for four spots and Comets will be in excellent shape in this department.

The league leading goalie, Zane Jakubec will be back and will be stingy to the leagues sharpshooters.

Comets have however,

lost leading scorer Henry Hodgson to Drayton Valley Rebels as well as Ron Fournier, Ted Rogers, Jim Read and Al Laplante.

Read and Rogers have apparently retired while Laplante and Fournier have job commitments that conflict.

Next week the Comets will play two exhibition games with the Fort Saskatchewan Huskies who are still smarting from consecutive losses to the Comets in the provincials last year.

The first game will be here Friday, October 26 at 7:30 while Sunday's game in the Fort, October 28 will probably start at 2 p.m.

7th win moves Avengers into quarter-final

The coaching staff of the St. Albert Avengers football club were a most happy bunch last Sunday when they won the northern division of the Husky Bantam Football League.

Their 42-6 romp over the Avco Wings was the seventh win in a row and gave them a undefeated season. This is quite an achievement for a first-year club.

Avengers opened the season with three consecutive shutouts and were in command of every game played. They showed a strong offense scoring 214 points while their stingy defense allowed only 41 points.

Running back Sean Kehoe won the league scoring crown with 21 touchdowns for an average of three per game.

Against the Wings, Kehoe led the parade with four touchdowns, with Leddy and Dave Ammar getting the other majors.

Offensive stars of the game were Roy Galloway and Barry Benoit while Dave Shipanoff shone on defense. Sunday the Avengers take

on the third place Vikings from the southern division in a sudden-death 1/4 final.

In all likelihood they should win this game to advance into the semi-finals the following weekend for their toughest game of the year. Their opposition will probably be the J. P. Raiders who are the powerhouse of the southern division.

Members of the Avengers will be holding a raffle shortly to help defray the cost of a banquet, team trophies and club jackets. Be sure to get your tickets for a worthwhile cause.

Commercial Practice

St. Albert Tankers (formerly Premier Esso) will hold a practice Friday, Oct. 19 starting at 10:30 p.m. Positions for the Commercial league club are open to any player 25 years of age and over.

Larry Russell (#26), Dean Hyslop (40), Brad Menzies (27), John Pettigrew (20) and Mark Raven (22) of the Paul Kane team competing in the Senior Boys 2 and 1/2 mile event, in the North Central Alberta High School Cross Country meet in Sangudo Saturday.

Paul Kane does well in cross country

On Saturday, October 13, Paul Kane High School's Cross Country team competed in the sixth annual North Central Alberta High School cross country meet held in Sangudo. The North Central Zone meet determines the qualifiers to represent this area at the Provincial High School Cross Country Championship to be held in Bonnyville on Oct. 20.

In Sangudo, Paul Kane's boys team competing in two races over two and one-half miles distance finished second to a more experienced squad from Fort Saskatchewan. Boys aggregate team totals showed the Fort on top with 420 points and Paul Kane a very close second with 415 points.

Other schools competing included St. Albert High, Ardrossan, Morinville, Salisbury, Stony Plain, Sangudo and Concordia College.

The boys ran in two events junior boys, 15 years and under and senior boys. Both events saw four runners craking the top 12.

Paul Kane's girls squad also showed well but could not match strong teams from Ardrossan and Fort Saskatchewan. The Fort finished first in the girls aggregate section with 165 points. Ardrossan finished second with 158 points while Paul Kane with 143 points finished third. The following runners finished in the top 12 in their respective races and will represent Paul Kane at the provincial championships this weekend.

Junior Boys: Jim Hentig, second; Lorie Loshak, ninth; Keith Pollard, tenth; Dave Hancock, eleventh.

Senior Boys: Darrel Billstein, sixth; Mark Raven, eighth; Larry Russell, tenth; Calvin Schuler, eleventh. Junior Girls: Karen Hoosier, fifth; Heather Sturges, seventh.

Senior Girls: Helen Anderson, first; Margolee Crooks, ninth; Maureen Anderson, tenth.

1000 boys in minor hockey

Kinsmen minor hockey chairman Neil Stewart advised the Gazette Monday that players lists are now almost completed and will be in the mail to coaches shortly.

Practice schedules for some 66 teams and 1,000 boys are now being drawn up and practices should start this Saturday.

All boys will be phoned by their coach as to times and details.

The league schedule will start about the 1st of December which should allow each coach to have four or five practice sessions before starting the regular schedule.

Urgent! Still need nine coaches mainly in mite division. Due to the increase in the number of players please don't let these teams down. Any interested in coaching please contact 459-4582.

Left to right Kinsmen Paul Matear, Fred Falk and Neil Stewart, this year's minor hockey chairman, burning the midnight oil finalizing plans for the upcoming season.

P.K. Soccer team

Last Sunday afternoon Paul Kane's soccer team advanced to the North Central Zone championship final with a convincing 4 to 1 victory over Parkland Composite from Edson. One week earlier Paul Kane, defending zone champions, advanced to the playoffs by blasting Ardrossan 5 - 0.

Top scorer for the Blues on Sunday was Gary Larson with two goals. Mike Johnson and David Kettles added one goal each.

Paul Kane now hosts Barrhead in a sudden death final game to be held on the Paul Kane soccer pitch on Wednesday at 4:30 p.m.

Hercules Soccer reviews best season

1973 Local League Champions - Mini-Mite: Rovers; Mite: Indians; Peewee: Friend of Berlin; Bantam: Friends of Berlin.

1973 Challenge Cup Winners - Mini-Mite: Cubs; Mite: Indians; Peewee: Friends of Berlin; Bantam: Friends of Berlin.

1973 Coaches Challenge Cup - Coaches three, players four.

EMYSA
LEAGUE CHAMPIONS
St. Albert Peewee 'A'
St. Albert Mite 'A'
St. Albert Mite 'B'

EMYSA CHALLENGE CUP
WINNERS
St. Albert Mite 'A'
St. Albert Mite 'B'

The 1973 soccer season has provided the most successful season for many years in the EMYSA out of eight teams entered. Three teams emerged as Edmonton Area League Champions and in addition two of these three teams were also Challenge Cup winners. The league champions represented the EMYSA in the Provincial Finals held in Calgary and

Edmonton but despite playing well they were edged out by scores of 2-1, 2-1 and 3-0.

The most outstanding performance covering the whole season was provided by the Mite Premier 'A' boys who were coached by Herman Kochan, Herman Nipp and Joe Kelly. They won 42 of 43 games played in regular league and championship competition. They only game they lost was the last one involving the Alberta Provincial Championship.

In the local leagues mite, peewee and bantam teams each made the "double" by winning both league championships and challenge cups.

Last Sunday the players just managed to beat the coaches 4-3 in a close game. It was very gratifying to see so many of the coaches participating and the outstanding player of the game without a doubt had to be Ernie Speake who gave an outstanding display as goalkeeper for the coaches.

To achieve the success that Hercules attained this year would not have been possible without the excell-

ent support the 80 coaches, eight managers and numerous parents, both moms and dads, provided for the 40 teams participating in the local and EMYSA leagues.

Hercules are truly grateful for your co-operation.

Now that the season is over we would appreciate having the soccer equipment returned to the various managers as soon as possible so that it can be checked to enable us to determine our needs for next season.

Every year coaches of select and local teams in the Hercules Soccer League, turn into players for a grudge match with one of the teams. The above group took on the St. Albert Midgets Sunday at the Simpson School pitch and suffered a narrow 4-3 defeat. Actually they suffered more than that, with unkind remarks about paunches, fumbles, the onset of old age and similar cuts from the opposition and spectators. Whatever might have been lacking in the quality of play was well made up in loads of laughs and a fun afternoon. The upwards of 60 coaches were represented by the stalwarts pictured.

V.G. - Father Jan win cross country event

The annual Cross Country inter-school meet proved to be a "Father Jan - Vital Grandin event" for the third successive year. The victorious team from the two schools claimed the ATA Trophy again on October 2 when Seven Hills was the scene of a vigorous competition between Lorne Akins Sir George Simpson and Father Jan - V.G. Junior High, Schools.

Father Jan - V.G. took the lead early in the second event when the 13 year olds took to the hills.

Top runners for each of the events were: Nancy Thiebert, Jill Demulder from Sir George and Linda Kehoe from V.G. for girls 12 and under. Brad Liptak, Neil Kathol and Lucien Meunier from V.G. for boys 12 and under.

In the second event for girls 13 years, top runners were: Kathy Rothermel and Joanne Gleason from Father Jan and Jo Drysdale from Sir George. Boys - 13 years

and under: Larry Sander, Francis Tworek and Pat Drouin from Father Jan.

In the final event for 14 years and over group winners for the girls were: Theresa Russel, Judy Anderson and Erin Tate

Mini-Mite Challenge Cup winner, the Cubs with coach Barry Runnalls, display the trophy after winning the cup final.

Mini-Mite league champions the Rovers with coaches Jack McKinley and Dave Seyler and the league trophy after beating Hank Robinson's Bears in a game which was eventually decided by penalty kicks at the end of a 10 minute overtime period.

Golf awards presented at Ladies windup

The ladies of the Sturgeon Golf and Country Club wound up a successful year at a dinner at the Londonderry Hotel Monday. The club is now affiliated with the Canadian Ladies Golf Association and participated in the events scheduled by the A.L.G.A. and the Edmonton Zone.

Members played in invitational tournaments at Nampah, Riverside, Glendale, Edmonton Golf and Country Club, and the "over 50's" enjoyed a fun day at the Highlands.

Stevie Donovan presided over the annual meeting where reports were received from the various committees. Bernice Cook, sports captain, announced the names of the winners of the various competitions as follows:

Championship - Shirley Fisher; Nora Reed runner-up; First Flight - Tina Ban-

nerman; Bernice Cook runner-up; Consolation Flight - Ev Grant, Dorothy East runner-up; Ringer Board - Shirley Fisher; Pen Round - Shirley Fisher, Ann Frechette, runner-up; Business Girls - Mary Barnes; Most Improved Player - Ann Frechette. 'Breaking 100' pins went to Tina Bannerman and Shirley Fisher.

Election of officers followed and the officers for the next year will be: President, Tina Bannerman; vice-pres, Shirley Fisher; sec. Elsie Snider; treas. Louise Hansen; sports captains - Ann Frechette, Ruth Oulette and Flora Bury; social - Betty Olesky, Stevie Donovan, Louise Griffith; City rep., Bernice Cook.

All members are reminded of the annual fall banquet being held November 10th at the Club Mocombo.

Badminton Club booming with 66 players to date

Because of the large numbers that have been turning out to badminton (over 40 last Thursday and Monday) it has been necessary to seek additional facilities in the new Paul Kane gymnasium which has six courts. The club will be playing at Paul Kane on Tuesday evenings (8 - 11 p.m.) and Saturday afternoons (1:30 - 4:30 p.m.) beginning Oct. 20. The club will continue to play on Monday and Thursday evenings at St. Albert High School (7 - 11 p.m. Monday, 7:30 - 11 p.m. Thursday).

The total paid membership at this time is 66, of which 19 are high school students. Students younger than high school age will be allowed into the club for the first time this year on Saturday afternoons ONLY if accompanied by their member parents. The executive decided last week not to set a limit on membership YET until they see how the addition of Paul Kane on the Tuesday helps the overcrowding problem - so new members are welcome temporarily. Club members are requested

to come EITHER Monday or Tuesday but not both. Beginner classes (held at 8:30 Thursday temporarily) and intermediate classes (Saturdays at 1:30) are full but any members who would like their names put on a waiting list in case of drop outs are invited to phone Judy Wood at 459-8696. The lessons are free to members.

The opening tournament will be held Tuesday, Oct. 23 at Paul Kane at 8 p.m. sharp. Players of all ability levels are encouraged to enter this tournament as the top ranked players will be teamed up with the beginners in an attempt to make teams of equal ability. This tournament is open to paid up members only - but persons who come out for the first time that evening may join then.

The first novelty doubles of the season will be held Tuesday, Nov. 6 at 8 p.m. These are "fun" type tournaments, with mostly mixed doubles play, where partners are drawn and play five minute games so everyone has six or seven different partners during the evening. Mark that date down members as there will be no further notice.

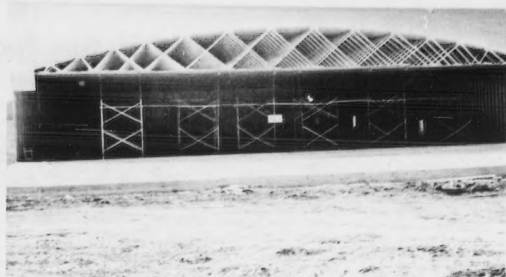

The first invitational tournament of the season will be the Derrick Club to be held Oct. 27 and 28. Next is the Glenora, Nov. 10 - 12, followed by the St. Albert Invitational, Nov. 17 and 18. For further information on these tournaments call Bob Sage at 459-7824.

The club will again be entering one B and one C team in the Edmonton District Interclub League. Those club members interested in playing on these teams are urged to become active on the challenge ladder. Please see the tournament captains if you wish your name added to the ladder.

Members are requested to take good care of the badminton birds as we have a limited supply and can't buy anymore. (We may eventually have to repair the broken ones so even these must be preserved).

For further information about the club call Judy Wood at 459-8696.

School Days Mean
SAFE DRIVING DAYS

This is a snapshot of the Kitscoty arena presently under construction. Ernie Jamison, MLA St. Albert announced this week to the executive of the Calahoo Agricultural Society that their \$80,000 grant has been approved. In the wake of this announcement, Calahoo citizens have been busy preparing for the fund-raising auction sale slated for Saturday, October 27.

ST. ALBERT RECREATION HIGHLIGHTS

PHYSICAL CULTURE:

This week is the last opportunity to enroll in the Physical Culture class. Mrs. Thompson is conducting classes in Sir George Simpson School each Thursday evening for 7 - 10 year olds from 6 - 7 p.m., 11 - 14 year olds from 7-8 p.m., and for the 15's and over from 8 - 9:30 p.m. Registrations are being taken at the Recreation Department in the Town Hall.

ARENA SKATING:

A separate advertisement in this issue gives the hours for public skating in the Arena. Parents and preschoolers skating is scheduled for Wednesday a.m. from 10:30 - 11:30 and the admission is 25¢ per person, these sessions provide an excellent opportunity for parents to get on the ice and teach their small fry how to skate.

SQUARE DANCING:

St. Albert Saints and Sinners, the local square dance group will hold their regular Saturday dance at Sir Alexander Mackenzie Saturday, October 20, 1973. Phone Mr. and Mrs. Terrault at 459-7896 for further information.

Several people have indicated an interest in forming a chess club. Phone Mr. and Mrs. Wilbur at 458-0325 or the recreation department at 459-6601 if interested and

a time and place will be arranged if there is a good enough response.

ARTS AND CRAFTS:

Please phone Lois Folkins at 459-7344 if interested in registering for the rugmaking class which starts on Nov. 1 and will be held in the Library Meeting Room on Thursdays from 1:30 - 3:30 p.m. The cost is \$9 for the six week course.

MIXED SPORTS:

Phone Penny Ketsa at 459-6336 for information about a group which meets on Wednesday evenings and Bob O'Donnell at 459-3456 which meets on Mondays. Both meet in Father Jan School.

MENS SPORTS CLUB:

Phone Ron Prior at 459-6844 for information about this club which will be getting together on Tuesday evenings in St. Albert High.

MAJORETTES:

Call Miss C. Isaks at 459-6829 for information on baton instruction. This instruction is for girls in grades 2 to 9 and is held at Father Jan School on Tuesday evenings. LIONS COMMUNITY BAND:

Adults, a very enjoyable evening can be spent Tuesday evenings at Lorne Akins Junior High, 4 Fairview Blvd. Previous musical training is not necessary, as beginning instruction is provided, and everyone is welcome, this is a community band and can only be successful with your support. For further information call 459-3841 or 459-7384.

Highway Project Criticised

Councillor Hudson expressed his dissatisfaction and concern with the way the highway construction (from weigh scale to 137 Avenue) is being carried out. He referred to a coroner's report following an accident in which a child was killed on the highway, which recommended better signs for construction projects. There was a 'ridiculous' sign up at five o'clock today on the highway going through town, he told Monday night's meeting of town council. Although there was not one piece of equipment working, the sign said watch for flagmen - 25 m.p.h., which only confused drivers, tied up traffic and caused switching of lanes. They have not directed traffic to one lane, and equipment has been parked before use, he concluded, and asked that a presentation be made to the Department of Highways on the matter for both safety reasons and the unnecessary delay and confusion being caused by the construction.

Mayor Gibbon, noting that he also had complaints about the situation, said he would phone the department. Tuesday he told the Gazette that he had been in touch with Deputy Minister Mr. McCune who advised that the problems will be referred to the construction engineering division to improve safety measures, set up better traffic management while not holding up con-

struction, since weather conditions make it necessary to press on for completion.

Around Town

Motorists making use of parallel parking spaces along Perron St. are reminded that it is against the law to get out on the left hand side of your vehicle. According to information reaching this office Tuesday, occupants of a vehicle parked parallel on a street or avenue where a sidewalk is available, must get out of said vehicle on the right hand side and step onto the sidewalk. It was also pointed out that if the motorist steps out of his vehicle on the left hand side and suffers injuries from oncoming traffic, he is liable to charges. Of course, in such a case, circumstances would have to be interpreted in a court of law. Therefore, St. Albert motorists please be aware when leaving your vehicle. If you have parked in a parallel zone, keep the above information in mind.

Don Mills, librarian at the St. Albert Public Library, will be visiting all elementary classrooms in the town this week informing local youngsters on what the public library does, how to join, and offering some reading tips on new library books.

'1973 was a very good year' for local athlete Shirley Fisher of Grandville Place. After taking her share of curling awards she turned her energies to golf, and Monday night received the Championship trophy at the wind-up dinner of the ladies golf club. Shirley also does her share of the executive and committee work in both clubs.

Doug Penny of Grandin Flowers here in St. Albert reports a very successful goose hunt in the Hanna area recently. Doug and his three colleagues brought back 32 birds, bagged during their three-day hunting expedition. Accompanying Mr. Penny were Frank Herring of Hay Lakes, Dr. Ferrari of Vancouver, B.C. and Ed Tanner of Edmonton. The four hunters talked with one of the several game wardens of the Hanna area who told

them that Dean Martin of 'filmland' and his party were hunting on a neighboring field. According to the game warden, the movie star and colleagues weren't doing too well towards getting their bag limits, but were having a great time anyway. Hanna has become a popular hunting area for local and foreign notables. According to the informative warden, Dean Martin has been hunting in Hanna for a number of years and so has Jim Naybors, among others.

Spook Insurance

St. Albert's Holiday Community Volunteers (sometimes called Movers) are once again taking over the annual Spook Insurance sales for 1973. This policy insures your house on the night of Goblins and Witches, Oct. 31, against minor pranks and tricks such as egging and soaping.

The St. Albert Movers will come around Nov. 1 and clean up the insured houses between the hours of 4 and 7.

The Movers will be canvassing from Oct. 17 through 28 and sell the policies for \$1 each.

Day Care Centre

An estimated 60 parents, board members and guests visited the St. Albert Day Care Centre last Thursday on the occasion of the facility's first anniversary.

Visitors enjoyed viewing a display of the youngster's handiwork, a tour of the premises at 1 Gate Avenue, Elgin Pentecostal Chapel and renewing the acquaintance of the day care staff.

Present to receive guests and serve coffee were: Mrs. Joanne Lussier, day care director; Mrs. Cheryl Smart, senior child care worker; Mrs. Jacki Polls, child care worker; Mrs. Norma Stinson, child care worker; Miss Debbie Wakefield, assistant child care worker and Mrs. Esther Magosse, child care dietitian.

Last Saturday marked the last day of the Grand Opening Sales Extravaganza for Heritage House Floor Fashions and Decorator Centre Ltd., located at 123 Sturgeon Plaza. To mark the 'grand finale' of the special sale period Don and Marg Sinclair gave away 12 valuable door prizes. Ernie Jamison of the Gazette was present to draw some of the winning entries, then took up his position as chief photographer while Mrs. Jean Kane (centre) drew one of the winning entries. Seen holding the box of door prize tickets are the owners of Heritage House, Don and Marg.

Heritage House Awards 12 Lucky Draw Prizes

The 12 door prizes were won by the following: 8' x 12' Twist Carpet, Mrs. M. Robinson; Clock Radio - Mrs. M. Derieu; Carpet Sweeper

Mrs. H. Kalberg and Mrs. H. Baden; 4 Rolls Sunvynil Wallpaper - Raymond McDonald and J. Hazen; Wall Rug - Mrs. W. J. Sharkey;

1 gallon Kem Glo - D. Whyte and Andy Kampen; Antiquing Kit - Leslie Young and Mrs. D. Sutherland; Captains Chair - Mrs. R. Scott.

Pace increases for Drama Club

The newly opened Percy Page Centre is a hum of activity these weeks as the local drama club, the St. Albert-on-Sturgeon Players busily prepare for their opening night on November 1st. The club has chosen

Thornton Wilder's farce - 'The Matchmaker' for their first production this year. Members are busily recreating a piece of old New York on the stage of the centre for the comical dolings of everybody's favorite matchmaker, Dolly Levi.

The four act comedy promises to be a hit with all ages. There will be lots of

laughter, costumes, and of course romance as Dolly moves through a very untypical day, bringing unbounded joy and leaving nothing but smiles behind.

Plan now to see 'The Matchmaker' at the Percy Page Centre from November 1st to November 4th. Tickets are available from the cast or at Jim Byrne's Mens Wear in Grandin Mall.

AGT GOOD NEWS PARTY LINE

Protestant School District meetings are held every second and fourth Wednesday of every month, in the district office at 7:30 p.m.

Town Council meetings are held every Monday at 7:30 p.m. in the Clubhouse.

Catholic School District #3 meetings are held every first and third Monday of every month in the district office at 7:30 p.m.

The St. Albert Breakfast Lions Club has launched a 'Sult of The Month' draw which will run for six consecutive months starting October 23 when the first draw will be made. Tickets are available now from Breakfast Lions at \$1 each and there will be only 250 tickets on sale for each draw. The ticket winner will be awarded a \$100 wardrobe from Jim Byrne's Mens Wear. Proceeds will go toward Breakfast Lion Club charities and the October draw will be made on Tuesday the 23rd. For more information contact Lion Jack Hearfield - 425-6805.

Regional Schools Apply For Opportunities Fund

All five school systems within the St. Albert constituency have filed applications with the Provincial Department of Education for special grants under the Educational Opportunities Fund, unveiled earlier this year by Education Minister Lou Hyndman.

Of the five regional school systems, only St. Albert Protestant Separate School District No. 6 has received approval of its application for special funds made available for priority elementary school projects. The St. Albert Protestant School District received confirmation of its application for \$46,900 to provide students of the school district with diagnos-

tic reading and special education services. The No. 6 School District applied for \$26,700 for an outdoor education program and awaits approval. These special opportunities projects will extend over a period of three years.

A brief description of the diagnostic reading and special education services program defined by the St. Albert Protestant Separate School District states that resource staff will be assigned to each school and will assist in the assessment and development of program alternatives for students with language arts problems. This staff will provide in-service workshops for teach-

ers, liaison with counselling, parents and work with groups needing small group settings.

The other facet of the St. Albert Protestant School District program, which comes under the heading of 'Outdoor Education' is defined according to the application as a method of teaching, which utilizes the real and appropriate environment to provide learning experiences through first hand observation, exploration and discovery.

Other school districts within the St. Albert constituency who have filed applications under the Educational Opportunities Fund

include:

St. Albert Catholic S.D. No. 3 - For improving basic skills in the development of elementary schools through the utilization of new resource material and teaching aides.

Thibault School District - For remedial reading program.

Sturgeon School Division #24 - For special services of educable mentally handicapped students. The other part of the dual-purpose proposal is for services for students with learning disabilities.

Legal Separate School District - For the upgrading of basic skills in the elementary grades with emphasis placed on reading.

The province has allocated more than \$8 million over a three-year period for 208 priority elementary school projects under the Educational Opportunities Fund, Education Minister Lou Hyndman said.

"A review of the projects indicates that many school districts are concerned with upgrading learning of basic skills of reading, expression and mathematics," observed Mr. Hyndman. The minister added that the government is carrying out the priority it placed on elementary education, both by increasing foundation grants and by implementing the Educational Opportunities Fund.

In his release to the media Hon. Lou Hyndman, minister of education said that his department will be monitoring the success of the projects and will integrate the support into the School Foundation Program Fund in due course.

Mothers Day Out

The St. Albert Help Society were assisted by the Roman Catholic Parish in printing notices on the Mothers' Day Out program, for distribution through the elementary schools to local households. Father Levay and Mrs. Mary Smith gave us their immediate and congenial co-operation, reports President Linda Kuzz.

The Society is seeking volunteers, preferably mothers with no pre-schoolers

or one, who could give one day a month or more to the Mother's Day Out program, which operates each Thursday in the lower hall of St. Albert United Church from 9:15 to 3:15. It has a provincial license to provide pre-school child care and thus free a day for mothers to have an outing.

Anyone who would like to help should telephone Mrs. E. Lovatt at 459-5078 or Mrs. Kuzz at 459-8952.

Alma Hughes and Gladys Smith, principals of St. Albert School of Dancing organized a four day dance workshop, of jazz and tap for teachers and students last weekend. Brian and Fay Foley from Toronto were the instructors, and hundreds of children enjoyed their dynamic personalities and different approach to these forms of dancing. Many of our own St. Albert children took part and will be looking out for Brian on a forthcoming Wayne and Shuster TV show. Brian and Fay Foley are shown with the St. Albert teachers.

Research needed on Cystic Fibrosis

Townpeople will have an opportunity to contribute in a small way to the Kinsmen project of providing research on cystic fibrosis, by supporting the Kinetite Tag Day on Saturday.

Cystic fibrosis - or C/F is one of the most common serious chronic disorders of Canadian infants and children. One in approximately every 100 babies is born with it. In cystic fibrosis certain glands do not function properly: the mucous glands secrete an abnormal salty sweat. The sticky mucus is responsible for the principal complications.

For most families cystic fibrosis is a staggering economic drain. The cost for drugs, equipment and other items needed in the home may run to \$1,200 a year. There are other costs which cannot be measured in money - the cost of round the clock watchfulness by parents . . . of the demanding schedule of home treatment and visits to Cystic Fibrosis Centres, clinics or doc-

tors' offices . . . of strain on family relationships. Problems arise when care of the patient absorbs so much of the parents' time and energy that brothers and sisters feel left out. And where there is more than one C/F boy or girl in the household, the cost to the family in emotional

and physical terms can be enormous. Yet most parents operating as a team, rise courageously to the challenge.

There is a real need for research into this disease and the Kinsmen in Alberta have undertaken to raise funds for a research centre and continuing study.

CCC interested in languages

Members of the St. Albert Cultural Co-operative Committee expressed interest in studying conversational French, German and Spanish and in response to a letter sent out seeking sponsors, the Protestant Separate School Board accepted. Chairman Mrs. Lefebvre arranged a meeting with Superintendent Elmer Gish and Dr. Brian Staples of the Provincial Government. Plans were made to form a Local Education Council for the Sturgeon area. The

possibility of a three year program and a working budget were discussed, as well as arrangements for advertising. A further meeting was held with the CCC executive Mrs. Gish and Mr. Bauman.

If enough residents are interested a language study program can be arranged and anyone who would like to take a course in conversational French, German or Spanish should telephone Mr. Bauman at 459-4405 or Mrs. Lefebvre at 459-7030.

Mrs. Lefebvre made a summer visit to St. Paul Cultural Centre, which held added interest for her, since the centre now occupies the three-storey school she attended until 1948. Mr. and Mrs. Jules Van Brabant took her on a tour of the centre, and she was given a copy of a play presented at the Centre on Father LaCrosse.

The regular meeting of the Cultural Co-operative Committee will be held at the Percy Page Centre at 7:30 p.m. October 30.

At the October 3 Awards Night held in the St. Albert High School gymnasium, nine students were major athletic award winners. Shown left to right: Linda McGillis, Kay Gamache, Tish Sopchuk, Doug Reinbold, Lorna McGillis, Shirley Bokenfohr, Carmen Gibeau, Jay Donalds and Steve Hoffart. The trophy, donated by Safeway was presented by D. Stouteberg and F. Hoerber. The awards are made to students who are deemed to have made a major contribution in at least two athletic activities while attending St. Albert High.

Engaged girls party

The Welcome Wagon is holding another of its popular parties for engaged girls. For those planning a wedding between February and July, 1974, invitations are now available for the October 30th party in the Chateau Lacombe. They may be obtained for the bride-to-be together with her mother, or future mother-in-law, by phoning Mrs. Betty Ann Faulker at 484-3483.

Engaged girls will receive some lovely gifts and a special showing of bridal fashions will highlight the evening. The displays are open from 6:30 p.m. in the Alberta Room at the Chateau, and the program starts at 8:30. There are door prizes as well.

St. Albert High School Proficiency Awards went to Brenda Wenger, Marieta Boddez and Karen Simpson. Shown with the three recipients is Ross Johnston, principal who made the presentation to the three students judged best in both academic and extra-curricular achievements. The trophy was donated by Mr. and Mrs. Neil Ross.

Local School Delegates Meet Education Minister

The two school boards in St. Albert and the Sturgeon Divisional Board were amongst the select urban and rural school representatives attending a meeting with Hon. Lou Hyndman, minister of education last Friday, October 5.

Purpose of the meeting with officials of the Department of Education was to study several policies now in effect and comment on a new construction concept termed for the time being as 'central core with plug-in modules' . . . a concept which would include a permanent core of an undetermined number of classrooms, designed to acquire itself to plug-in modules as required.

Representing No. 24 School Division were Board Chairman John McDonnell, accompanied by Superintendent F. J. Robinson. Present on behalf of the St. Albert school districts were Chairman Charles Schroder and Secretary-Treasurer George Hargreaves of the Protestant School District and Ernest Howrsh, Chairman and Superintendent Vince Maloney of the Catholic School District No. 3.

Regular Events

TUESDAYS - The Youville Auxiliary meets every second Tuesday of the month at the Home, 8 p.m.
WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

Toastmistresses to have special guest

Ruth Ferguson, who has been six years in Venezuela, will be the guest speaker at the regular meeting of the Sturgeon Toastmistress Club next Wednesday evening at the Theatre Arts Room in Paul Kane High School.

She helped to establish toastmistress clubs in Venezuela and will talk to the local group and their guests about the ideals and objectives of the Toastmistresses and also about her experience in South America.

The club invites all interested residents to join them October 23 at eight o'clock for an especially interesting meeting. Serving on the executive for the Sturgeon Toastmistresses are Doreen Robinson, president, Donna Peterson, 1st v.p., Lorry Saunders, 2nd v.p., Nadia Scott, 3rd v.p., Janice Evans, secretary, Terry Pratt, treasurer and club representative Joan Hill.

Vimy Hamlet Citizens Seek Sewage System

According to a survey of Vimy, located about 30 miles northwest of St. Albert, a plastic-pipe do-it-yourself water and sewage system would solve many local problems for its 36 households who make up that ham-

let's population of about 125 residents.

An interested local group of citizens, including Sharon Hatton, Rene Joly, Jim Henderson, Jack Burns and others met with the Municipal District of Westlock

early in May of this year and again in August, describing the sewage problems in Vimy.

In their submission to council, the Vimy delegates explained that Vimy is built on basically clay soil which

resists water saturation and another factor against drainage in the hamlet is that the water table is exceedingly high. Therefore, residents have problems with flooding basements, drainage fields which tend

to back-up or freeze and effluent from overflowing septic tanks frequently collects in ditches for long periods. Besides the unsanitary aspect of this situation, the Vimy delegation explained to council that it

presented a hazard, not only to the environment but also to the residents, especially children. To substantiate the concern for children wandering into overflowing ditches and running the risk of drowning, the delegates cited several instances when near-fatalities occurred. They also spelled out the absentee rate of school students living in a community that has a sewage system against one that has not. The statistics revealed the absentee rate almost doubled in a community without sewage facilities than the community equipped with a proper sewage system.

Other vital points brought before the Westlock M.D. council by the Vimy delegates clearly indicated that a sewage system for the hamlet would improve living conditions for the citizens of Vimy and encourage residents to move into the hamlet thus ensuring its economic survival.

In concluding the submission to Council, the delegates pointed out the unsatisfactory data relating to present private septic tank and disposal field facilities. Of the 36 homeowners in Vimy, nine are using septic tanks with no tile fields; two residents have septic tanks equipped with filters, 13 have septic tanks with tile fields and 12 homeowners have no sewage disposal systems at all. Of the total, only 12 sewage disposal systems in Vimy have been approved and 24 systems are reported to be malfunctioning.

The Vimy delegation plans to meet with the Westlock M.D. council in the near future, now that information has been obtained from Marshall, Sask., where an efficient and tested sewage system has been in action.

Think about 2500 Alberta children without mothers and fathers

Then think about being a Foster Parent

Just by being yourself you can give some meaning to the life of a homeless youngster. And in doing so, enrich your own life, too. We need mature, understanding foster parents who realize that providing care and affection is only part of the job; that giving a sense of purpose is just as important. There'll be problems, of course, just as you might expect from your own child. But there'll be the same rewards, too.

Manpower opens office in MacEwan College

Canada Manpower today opened full-time offices at Grant MacEwan Community College.

Mr. W. J. L. McCune, assistant manager of Manpower, says the move is in keeping with a new government policy which calls for the creation of Manpower offices on college and university campuses across Canada "wherever the size of the campus makes it practical."

"We can serve as a more effective liaison between students and employers than college instructors because we have a broader range of contacts."

Mrs. Marjorie Fraser, the Manpower counsellor in charge of the new office, says her staff will provide complete recruitment facilities for employers as well as employment services to students.

PREVENT FIRES BEFORE THEY START

Sewage System Viewed By St. Albert Area Team

Every community, be it large or small, generates a certain volume of sewage. If the community happens to have a population of 300 residents or less, a community sewage system is out of the question because of costs and other restraints. If this philosophy seems unfair and somewhat brutal, the fact remains that a tiny community, a hamlet or even a village that cannot raise a quarter of million dollars for a sewage system of the conventional type has to make-do with septic tanks and disposal fields.

Private septic tanks connected to a variety of disposal fields, either tilled or not, some including filters and some without, have served many tiny centres quite adequately until population growth was such whereby the more sophisticated conventional sewage system could be put in. "Quite adequately," must be emphasized here because such septic tank systems do not function properly all the time in any community. Many factors have to be considered here. For example, in some communities, where septic tanks and disposal fields function well, the success there may be directly attributed to soil conditions, natural drainage and the care with which the system was initially installed.

In our area we have many centres with populations of less than 300 citizens. For example, let's look at Vimy, located about 30 miles north-

west of St. Albert. This community has a population at present of 125 residents living in 36 homes. For the past year, interested residents of Vimy have been investigating the possibilities of putting in a community sewage system. The importance of converting private septic tanks and disposal fields to a community system has manifested itself in such a way whereby Ken W. McAmmond, senior public health inspector with the Sturgeon Health Unit in St. Albert has become very much involved. In the course of his involvement, Mr. McAmmond, working closely with a small group of concerned Vimy citizens helped compile a thick dossier on vital statistics relating to the need of a better sewage system in Vimy. This data has since been presented to the Municipal District Council of Westlock for consideration. While this groundwork was being done on the local level, Mr. McAmmond obtained from the Saskatchewan Department of Agriculture, Family Farm Improvement Branch, thoroughly-described data on a plan which has been working very well for tiny communities in our neighboring province. The data supplied included cost estimates for a typical community with a population of 150 residents, which showed that a community sewage system could be installed at a fraction of the cost of a conventional sewage system.

Main points revealed in

the data supplied by the Saskatchewan Department of Agriculture showed that two-inch plastic pipe metal specifications and meant a tremendous saving. Another important factor was the minimum cost involved in the actual installation of the plastic pipe network, as well as the modest, yet very satisfactory sewage lagoon. All-in-all, the report from the Saskatchewan Family Farm Improvement Branch clearly indicated that there was a feasible solution for the tiny centre with sewage problems.

Further investigation by Mr. McAmmond revealed that a project, as described by the Saskatchewan report was in operation in several hamlets and villages in our eastern neighboring province and arrangements could be made to set-up an official visit.

Last Thursday a two-car delegation motored to Marshall, Saskatchewan and the plastic-pipe, do-it-yourself sewage system was seen in action. Included in the delegation were: Ken McAmmond, senior public health inspector of St. Albert; MLA Ernie Jamison; Westlock Reeve Bob McLaughlin; Jim Henderson, hotel proprietor in Vimy; Gerald B. Samuel, engineer with the Alberta Department of the Environment, Pollution Control Division; Peter Lee, Redwater public health inspector and Glyn Williams, Westlock public health inspector, and Ovi Baril of The Gazette.

Marshall, Saskatchewan is located 10 miles east of Lloydminster, has a population of 225 citizens and was one of the first villages to take advantage of the plastic pipe sewage system scheme initiated by the Saskatchewan Department of Agriculture.

Mayor of Marshall, Jim Broyle eloquently welcomed the Alberta delegates and proudly reviewed the events which lead to the installation of a community sewage system in his village.

"We started thinking about putting in a community system back in 1966," Mayor Broyle said, "but the cost figures we were getting, like \$110,000.00 were absolutely unrealistic for a village the size of Marshall where we were looking at about 50 hook-ups."

That was when we got in touch with our Family Farm Improvement Branch and received a plan where we could have a sewage system that would cost us under \$20,000. We were immediately very interested because that was a figure we felt our village could handle comfortably, he said.

Following many emergency village council meetings, we adopted a plan whereby it became economically feasible for us to go ahead, Mr. Broyle said.

"We had \$6,000 in the bank," the genial mayor revealed, "we were pledged \$100 from our provincial government for each hook-up, which meant another \$5,000 for 50 hook-ups and we borrowed \$20,000 from the bank." That was the capital funds we had to work with.

After drafting a local by-law establishing prepayment of hook-up costs at \$25 per, plus a monthly consumption charge of \$7 per month, we signed an agreement with a contractor to do the ditching and bedding down of plastic lines, also the construction of a 600,000 gallon lagoon. Work started in May of 1967 and the whole system was completed and in operation by September of that year.

"In retrospect," Mr. Broyle said, "during the past seven years we have had our sewage system in operation, we have spent about \$50,000 we're up-to-date with all our payments and as our village expands, we have no trouble financing the increased demands on our network." Mr. Broyle revealed that at present, the Village of Marshall has 72 hook-ups and feels confident that his village's sewage system can adequately serve a community of up to 300 hook-ups.

In answer to many questions from the delegates, Mayor Broyle was very proud to reveal that the Marshall sewage system has led to experience trouble with frost and he attributes this success to the fact that the plastic pipe network was laid 10 ft. deep instead of the suggested 8-foot depth. He also pointed out that a narrow gauge trencher which cuts a six-inch slit is more than adequate for the job and is of course much cheaper to hire and the jobs get done quicker. "Time and money are saved when this type of trenching is employed," Mayor Broyle said, "because of the simple fact that a smaller machine requires a smaller crew, and no shoring is required, the whole job can be done in the matter of a few months."

In Marshall, two-inch plastic pipe was used throughout the village, including the two main lines which bring the effluent to the lagoon, located about a quarter of a mile east of the village. The lagoon itself is located in a low spot of about two acres in size. It has an adequate protective fence and was excavated and lined with concrete

Mayor Jim Broyle of Marshall, Saskatchewan is not at all a bashful man, however, when The Gazette photographer took this picture. His Worship just happened to be pulling off his glasses. Sorry about that. However, the genial mayor of Marshall is seen talking with two members of the Sturgeon Health Unit who were part of the eight-man delegation. With the hat is G. Williams, public health inspector, Westlock and at right is K. W. (Ken) McAmmond, senior public health inspector, St. Albert.

slabs. The bottom of the lagoon is v-shaped and has to be flushed out about every two years. The effluent, with its valuable phosphorous goes on to the land.

Secretary-treasurer of the Village of Marshall, Fred Lonsdale, has been the financier of the whole operation from its very inception. He admitted to the Alberta delegation that the Marshall Village Council, including himself didn't know much about sewage systems when they got involved seven years ago. "But we learned a lot in a heck of a hurry," he said. He told the delegation that the Saskatchewan Family Farm Improvement Branch mailed the Marshall Village Council a set of plans with the promise that government consultants would oversee the installation of the project. "but nobody came, so we simply forged ahead on our own and I must say we did very well."

Mr. Lonsdale confirmed

the mayor's statement that council encountered no major problems, either financial, technical or otherwise and concluded by saying that any community with a small population need not be without a sewage facility.

Marshall council officials strongly urged the Alberta delegation to install water and sewage at the same time if feasible, also suggested that at least one hydrant per block be installed where a water supply network was being contemplated.

PROTESTANT S.D. BRIEFS

Trustee Don Munro, on behalf of the Buildings and Properties Committee, proposed that top soil be spread on the Paul Kane School playground at an estimated cost of \$12,000. In speaking to his motion, Mr. Munro said the top soil would be the first phase in landscaping of that school's playground. He also urged that the project be done this fall in

order that the seven-acre school grounds be ready for seeding next spring. The motion carried.

** ** *

Continuing with his report of recommendations from the Buildings and Properties Committee, Trustee Munro voiced firm objections to a proposed parking lot North of Paul Kane School. Mr. Munro's main objection was

the proposed location of the parking lot "where supervision would be very difficult, if not impossible under existing circumstances." He suggested that temporary parking be established closer to the front of the school "where supervisors would have a chance to keep an eye on things." This motion was also approved.

** ** *

In concluding his report, Trustee Munro commented on his findings regarding the Paul Kane smoking area in the school yard. He suggested that the present hard-adequated area was quite adequate for smokers; however admitted that the yard was indeed muddy around the cement apron and saw where this problem ought to be remedied. Chairman Charles Schroder suggested that cement blocks be laid out to

cover the muddy area "until landscaping of the school yard is completed." This motion was approved unanimously at an estimated cost of \$700.

** ** *

Regarding the installation of Cable TV in all schools in the No. 6 School District System at an estimated cost of \$4,300, Chairman Schroder felt that the expenditure was unwarranted at this time since it was not clear in what way this facility would assist the school pro-

gram. Trustee Bill Webber suggested that more information be obtained and the quoted amount be included in next year's budget. Trustee Jim Wiltshire proposed that a representative from the cable television firm be invited to meet with the board at a future meeting. The three-pronged motion was adopted and secretary-treasurer George Hargreaves will attempt to have a cable television company representative attend the next board meeting.

1973 ALBERTA JUNIOR CITIZENS OF THE YEAR

THE QUIET CELEBRITIES!

THEY DIDN'T SHOUT ABOUT THEIR OWN ACCOMPLISHMENTS ... SO WE'RE DOING IT FOR THEM. THANK YOU FOR HELPING US FIND THEM!

Here they are — the Alberta Junior Citizens of the Year. Nominated by fellow Albertans — friends, neighbors, parents, teachers — they have each done deeds and shown qualities of which Alberta can be very proud.

The group shown above includes: Ray Bailey, Rocky Mountain House; Elizabeth Guthrie, Edmonton; Jeffrey Hamilton, Taber; Janis Olson, Lacombe; Gail Toth, Nemiskam; and Trevor Bamford, Blake Millard, Tom Parker and Joe White, all of Red Deer. Cathy Warner of Edmonton was absent. Flanking the winners are Constables Steve Clark and Eric Wheeler of the RCMP Lethbridge Sub-Division.

Camera-Woodwards Northgate - Margaret Forrest; 12 - 16 years - Barrels Capstick Family Trophy - Vance Johner; runner-up - Wallet - Zabelski Construction - Bernadette Huber; 12 - 16 years Stakes - Koflak Electric Trophy - Vance Johner; runner-up - Belt Buckle - Waterhouse Water Service - Bernadette Huber; 12 - 16 years Flags - Davis Family Trophy - Vance Johner; runner-up - Belt Buckle Waterhouse Water Service, Roddie Forrest; 12 - 16 years Pole Bending - Johner Treudette Trophy - Bernadette Huber; runner-up - Shirt - Woodwards Northgate - Vance Johner; 12 - 16 years Novelty - John Pearce Electric Trophy - Bernadette Huber; runner-up - Wallet - Zabelski Construction - Roddie Forrest; 12 - 16 years High Points - Mitchell Drugs Trophy - Bernadette Huber; runner-up - Blanket - Welsh's Saddlery, Vance Johner; Adults Barrels - Stanton Family Trophy - Laurie Percheson; runner-up - Shirt - Woodwards Northgate - Carol Lenderyou; Adult Stakes - Johnny's Store Trophy - Laurie Per-

cheson; runner-up - shirt - Woodwards Northgate - Joanne Wagner; Adult Flags - Sturroch Family Trophy - Joanne Wagner; runner-up - Shirt - Woodwards Northgate - Laurie Percheson; Adult Novelty - Clover Bar Saddlery Trophy - Ken Hebert; runner-up - shirt - Woodwards Northgate - Gene Johner; Adult Pole Bending, New West Auto Body Trophy by Max Johner - Carol Lenderyou; runner-up - Saddle Pad by Terrie Jeffery - Ken Hebert; Adult High Point, Waterloo Motors Trophy - Ken Hebert; runner-up - Saddle Pad by Terri Jeffery - Carol Lenderyou; Over all High Points all ages - Woodwards Stores Trophy - Bernadette Huber; runner-up - Blanket by Caruthers Implements, Simpson Sears, Clayton Crozier donated five bales of hay which were Dutch Auctioned off.

Two Fun Tail-End trophies were donated by Mary Capstick to George McKenzie and Bernie McGonigle.

Other prizes were also donated and were used for spot dances.

Keith Everitt Named Regional Rec. Head

KEITH EVERITT
CHAIRMAN

The Sturgeon Regional Recreation Council was formed in the month of July, 1973 and has had three meetings to date. This Regional Council is a joint venture among the M.D. of Sturgeon #90, the Town of Morinville, the Village of Legal, and the Village of Gibbons. Through this agreement the Sturgeon Regional Recreation Council will be responsible for fostering, co-ordinating, and promoting the development, maintenance and operation of public recreation, and encouraging the orderly development of parks and public facilities, that is the joint

responsibility of the municipal authorities above. Eleven members were appointed to this Regional Council, and they are:

Four members from the M.D. of Sturgeon #90: Mr. Keith Everitt, Mr. Angus McDonnell, Mr. Reginald Crozier, and Mr. Philippe Gaudmont. One member from the Town of Morinville: Mrs. Flo McGinnis. One member from the Village of Legal: Mr. Leon Brisson. One member from the Village of Gibbons: Mr. Joseph Krupa. One member from the Village of Bon Accord: Mr. Elmer Brennan. One member from the Thibault School District: Mrs. Anne Kryskow. One member from the Legal School District: Mr. William Krauskopf; and one member from the Sturgeon School Division: Mr. Reginald Austin.

At the first meeting of the Regional Council Mr. Keith Everitt was elected chairman and Mrs. Flo McGinnis was elected vice-chairman.

A staff of four has been hired by the Sturgeon Regional Recreation Council: Mr. Carl Royan - superintendent; Mr. Laurent Coulombe - assistant superintendent; Mrs. Jean Smith, program co-ordinator; Miss Bernice Chalfoux, secretary.

Meetings of the Sturgeon Regional Recreation Council are held at 8 p.m. in the M.D. of Sturgeon #90 Administrative Building, on the second Monday of every month, and the public is cordially invited to attend. Individuals or groups, wishing to make representation to the Regional Council, are most welcome. It is hoped that everyone will assist the Regional Council in providing comprehensive recreation services, to all residents encompassed in this area. Offices of the Sturgeon Regional Recreation Council are presently located in the M.D. of Sturgeon #90, Administrative Building, Morinville, Alberta. Phone 424-6276 or 256-3321.

Kallal - St. Arnaud Wedding

By Jeanne Laplante

Our Lady of Victories Church, Vimy, was the scene of a beautiful late summer wedding on September 8 when Jeanne St. Arnaud, daughter of Mr. and Mrs. Paul St. Arnaud of Vimy became the bride of David Kallal, son of Mr. and Mrs. Jos Kallal also of Vimy. The double ring ceremony was performed by Rev. E. Crotenau and the boys were cousins of the bride, namely Ray Landry and Richard Laplante. Soloist Mrs. Mary Bernard was accompanied at the organ by Mrs. Wilfrid Provencal. Ushers were Jackie St. Arnaud and Pat Kallal.

The radiant bride entering at the arm of her father was lovely in her floor length wedding gown of filmy crys-

tal organza with a peau d'elegance underlay. The gentle shape was accented with alencon lace and the bodice was daintily sheered and extended into billowing free bishop sleeves. Her A-line skirt was enhanced by a waist train also trimmed with alencon lace. To complement her ensemble, a delicate Juliet cap held her elbow length veil. She carried a cascade of red roses with ribbon streamers accented with rosebuds.

Bridal attendants were Misses Gwen Morrison, Joanne Wilson, Mary Kallal and Cheryl Birks. They were charming in their identical gowns of blue polka dotted chiffon over taffeta featuring empire waists, short

puffy sleeves trimmed with daisies. They carried baskets of white daisies. White picture hats trimmed with blue ribbons completed the decor. Petite Grace Kallal was flower girl and Master George Regimbald was ring bearer.

Best men were Roger St. Arnaud, Mike Kallal, Robert St. Arnaud and Bruce Kallal. To receive their guests for the reception at the Morinville Community Centre, Mrs. St. Arnaud chose a coral crepe gown ensemble complemented by a white orchid and white accessories. Mrs. Kallal was lovely in her turquoise brocade taffeta ensemble with a white orchid corsage and gold accessories.

Uncle of the bride, Mr. Lucien St. Arnaud was master of ceremonies. Toast to the bride was proposed by Maurice Wilson and the bridesmaids were toasted by Roger St. Arnaud. The bridal table was centered by three tiered wedding cake flanked with lighted blue tapers. Some 400 guests attended the festivities at wedding dance following the reception.

For a wedding trip to Waterton National Park the bride and groom donned identical blue slacks and vests complemented by white shirts and carnations. The happy couple are making their home in Edmonton.

Out of town guests were Mr. and Mrs. Louis Burns from Hines Creek, Mr. Art Genest from Victoria, B.C., and Mr. and Mrs. Marcel Landry from St. Paul, Mr. J. Maryfield from Whitecourt.

CARL ROYAN
SUPERINTENDENT

Recreation in Sturgeon has progressed rapidly over the past two years. However with the formation of the Sturgeon Regional Recreation Council the progress of recreation within the boundaries of Sturgeon will progress even more rapidly. Recreation is an area that demands co-operation among municipalities if it is

going to function properly, and regional recreation is the vehicle through which this co-operation can be achieved. The attitude of each municipal council, and the demand by residents for recreational activities seems to show that under regional recreation the program will be even better. An invitation is extended to all interested residents to contact their representative on the council, or the recreation department so that we may be of further assistance in your recreational pursuits.

Carl Alexander Royan - recreation superintendent with the Sturgeon Regional Recreation Council resides in Morinville with his wife Della, and their three year old son Carrie. Carl was born and raised in Rimbey,

Alberta where he took his elementary and secondary schooling. He went on to study one year at the Red Deer Junior College, and then attended the U of A where he obtained his Bachelor of Physical Education and a Professional Diploma in Education.

Carl played junior hockey in Red Deer and also played volleyball with the Golden Bears for four years, including one year as Captain on the team.

At the age of 23, Carl Royan was hired as recreation superintendent for the M.D. of Sturgeon #90 Recreation Board. He held this position for two years before being hired last month as superintendent by the Sturgeon Regional Recreation Council.

Regional Recreation Council Staff

Jean Smith resides in Edmonton with her husband Robert Smith who is co-ordinator of the Work Experience Program with the Edmonton Public School Board. Jean worked for the City of Edmonton Recreation Department for some five years; also has worked for the YWCA in Edmonton for three years, and worked with the Guides and Brownies for a number of years. Eighteen months ago Jean Smith was hired by the Sturgeon M.D. #90 Recreation Board as the arts and crafts supervisor. She was hired last month by the Sturgeon Regional Recreation Council as the Program Co-ordinator and will be in charge of co-ordinating and initiating arts and crafts, cultural and all pro-

grams in general. Jean welcomes your comments and ideas on all and any of the programs outlined in the "Tabloid."

Bernice Chalfoux, daughter of Loretta and Art Chalfoux of Morinville was born and raised in Morinville, graduating from Georges P. Vanier High School in 1972. Bernice, 19 years old has worked for the M.D. of Sturgeon #90 Recreation Board for the past year and a half and was recently hired as secretary by the Sturgeon Regional Recreation Council. Bernice is at the office every day and is ready and willing to help you with any information you may require regarding recreation in Sturgeon.

Laurent Coulombe, son of Madeline and Marcel Coul-

ombe was born and raised in Legal. After taking all his schooling and graduating from Legal High School, Laurent attended Mount Royal College in Calgary where he obtained a Diploma in Recreation and Outdoor Education. While attending Mount Royal College he worked as a program leader for the City of Calgary Parks and Recreation Department. For the past 21 months Laurent has been employed by the M.D. of Sturgeon Recreation Board, being appointed assistant superintendent in January of 1973. Laurent Coulombe has been hired as assistant superintendent by the Sturgeon Regional Recreation Council and will continue to see in every way that a full and extended recreation program is carried out.

Darlene Rasko Heads Gibbons 4-H Club

By Pamela Omeshko

The Gibbons 4-H Clothing Club held their first meeting October 4 at Gibbons Sunday School. The objective of this meeting was to elect executives for the following year. Now officers are President, Darlene Rasko; vice pres., Janet Demers; sec. Debbie Reader; treas. Debbie Demers; club reporter, Pamela Omeshko; club librarian, Judi Demers; Parliamentarian, Pat Briggs recreation chairman, Sheryl Beague; lunch chairman, Dianne Demers; district re-

presentative, Annette Lamoureux. Our leader for this year is Mrs. Leona Petherbridge. The assistant leaders have not been decided yet.

The group discussed when and where meetings would be held and decided on two meetings a month. Where the meetings are to be held isn't definite yet but members thanked Mrs. Leona Petherbridge for kindly offering her home for the next meeting at 7:30 p.m. Monday, October 15.

MORINVILLE MEMOS

By Flo McGinnis

An important meeting regarding a possible grant for a kindergarten in Morinville will be held on Monday, October 22 at 9 a.m. in the Notre Dame Elementary School (downstairs in the Rec Room). All parents of pre-schoolers are urged to attend this very important and informative meeting if we are to have a qualified kindergarten for Morinville. For further information you may call Mrs. Germaine Beaud at 256-3559.

Don't forget the rummage sale on Tuesday, October 23. The doors of the recreation centre will open at 9 a.m. sharp with all sorts of items for sale, plus coffee and donuts and several draws. You are also reminded of the guides and brownies 'pick-up' service which will begin at 4 p.m. on Friday the 19th. Support your guides and brownies to keep the organization active!

The winner of the \$100 bill that was raffled by the Morinville Lions Club was Mr. Albert Yaremchuk of Sherwood Park. Lion President Leonore Gibault made the draw at the regular meeting on October 8. Doug Ramer took quite a razzing for having sold the winning ticket, but he bore up well. Proceeds of the raffle, being a matched amount of \$100 will go to the Sturgeon and St. Albert Children with Learning Disability organization.

Mr. and Mrs. William Orbeck have expressed their thanks to the Morinville Vol-

unteer Fire Department for the prompt and efficient response to the recent fire at their mobile home. A group of ladies went over and helped mop up the water, and offered assistance in many ways. Special neighbors who gave help were Mr. and Mrs. Art Dalby, Mr. and Mrs. Harold Graham and Mr. and Mrs. Dave Wallace. So once again the people of Morinville proved their ability to come to the aid of a family in need.

Morinville Lions Figure Skating Club held an executive meeting October 10, at which time they set the date for registration night and general meeting. Tuesday, November 6 at 8:30 p.m. registrations will be accepted at the Recreation Centre to be followed by the general meeting. There are two positions open on the executive which will be filled at this meeting. The fee structure for the 1973-74 season is as follows: Beginners \$5; two year beginners \$6; preliminary \$7; Bronze \$8; Silver \$9; and Gold \$10. Complete details of the instruction offered will be available on registration night - Nov. 6.

Morinville and District Community Sports Association will hold their annual meeting on Monday, October 29th at 8 p.m. in the Recreation Centre. This will be an especially important meeting if Morinville hopes to achieve their goal of having artificial ice. A good turnout of interested citizens is a must!

Doug Ramer has announced

that all hockey registrations will take place at 7 p.m. on Tuesday, October 23 at the Arena.

While we're talking about hockey - a giant Flea Market will be held on November 3rd at the Arena. This will be strictly for hockey equipment. So take note parents! Don't go out and buy a whole new set of hockey equipment till you have visited the Flea Market. It will work this way: - gather up all your hockey equipment that is too small (or too large), put a price on each item, take it all down to the Arena on Nov. 3 and set yourself up in business. Each youngster or parent can set up their wares and even haggle prices. And since you'll be selling off your old equipment you will be able to buy suitable replacements right on the spot. In this way it is hoped that young 'Johnny' can be outfitted for the season for practically next to nothing. It sounds like a terrific idea so don't forget the date - NOVEMBER 3rd, at the ARENA!

Last Thursday (Oct. 11) a group of 32 senior citizens from Morinville travelled by bus to visit the Augustana Golden Age Club in Edmonton. They enjoyed a delicious hot lunch and then were entertained by a very pleasant and talented young man, Don Axford. Many of you will remember him from when he was out to the St. Citizens Barbecue this fall. On Thursday he kept everyone very active, exercising, laughing at his jokes and humorous sayings, and singing with all their might. He especially recognized one of the Morinville group, Mrs. Jeanne Houle together they walked for everyone's enjoyment. The senior citizens report that this was one of the most enjoyable trips that they have taken this year. They have highly commended the Augustana Golden Age Club and extended their warmest thanks.

On Saturday, October 6 the Volunteer Fire Brigade from the Alexander Band had their first try-out with the new equipment. A fire broke out in a residence and seven volunteers turned out to save the home. There was a fair amount of damage to the building with the porch and part of the kitchen being destroyed, but the remainder of the house was saved and no one was injured. About a year ago the band got their Fire Hall and some equipment but this was the first time that their new truck had been used. Turning out to help Fire Chief Tony Arcand were: Martin, Armand and Eddy Arcand; Norman Kootenay, Sammy Burnstick and Rene Paul. Fire Chief Arcand has 10 men trained for firefighting altogether, and he stresses the fact that they are all volunteers. He felt that the brigade did a good job for their first real test and commended them.

Pair Face Charges In Tractor Theft

Morinville RCMP Detachment received a call from a town citizen last week who reported that a pickup truck was backed over the sidewalk running adjacent to a farm implement dealer's place of business. The alert citizen jotted down the vehicle's license plate number. RCMP investigated the complaint and discovered that a small farm tractor, valued at about \$2,000 was missing from the dealer's property. A license trace lead police to the arrest of two suspects who are slated to appear in court Wednesday.

A vehicle on the national list of stolen property was found by Morinville RCMP last week. The wanted 1972 pickup, valued at about \$3,500 and originating in Eastern Canada was discovered in a clump of bushes about 10 miles from Lethbridge. Further police investigation resulted in the arrest of a suspect, who is facing charges of theft and who will be appearing in court Wednesday.

RCMP Not At All "Sheepish"

The RCMP have a reputation of 'always getting their man' and they also have established during the past century of service that they make sure there is law enforcement continuity in whatever community they serve.

To illustrate this latter

Horse Hill

By Peggy Wenzel

The Horse Hill community league meeting will be held on October 25 at 8 p.m. in the meeting room. It is hoped local people will plan now to attend.

The Patricia UGW annual turkey supper will be held this year on November 3 in the school gym. For tickets and further information phone - Mrs. Tom Mullock at 422-4789 or Mrs. Ruth Cessford at 799-6413.

Mark Saturday, Nov. 10 now on your calendar and plan to attend the official opening of the new kitchen facilities at the Horse Hill School. Program begins at 2 p.m.

Following the opening the first dance in the renovated school will be held Nov. 16 in the school gym. Tickets and information are available from Joan Clark at 799-5123.

First Evergreen Cub Pack will be holding a paper and bottle drive on Nov. 3 from 9 a.m. to 1 p.m. The boys would appreciate the co-operation of all in this venture, which will provide funds for their projects and activities, and people who will not be home are asked to leave their papers and bottles outside the door.

Port Trail Gymkhana banquet and dance will be held November 2 at Londonderry Hotel, starting at 6:30. Tickets at \$4.50 each are available from Beth Sweetnam at 799-3471 or Norman Epp at 799-5854.

Police in Morinville investigated a complaint regarding teen-agers firing off a firearm in the vicinity of the Bon Accord School. The complainant was especially concerned because the young 'gunmen' appeared to be using the school buses as targets. Morinville RCMP traced the offenders through the vehicle licensing bureau and questioned the young car owner. No charges were laid.

because four of the youngsters involved had already returned to their respective homes in British Columbia. The Edmonton youth was issued with a warning.

A Morinville RCMP Detachment spokesman revealed that drinking drivers were on the 'up-swing' and arrests as well as convictions had increased over last year.

Donna Perrott Elected Camilla Club President

By Joan Sheehan

On September 26, the Camilla Clothing Club met to reorganize for the 1973-74 year. Thirty enthusiastic members are looking forward to another year of activity and fun. Perhaps the enrolment will be a little higher since, new members are invited to join until the deadline of October 24.

Election of officers was held and the resulting executive is as follows:

President, Donna Perrott, vice-president, Dianne Bokenfroh; secretary - Anne Bodger; treasurer - Georgette Van Brabant; reporter - Joan Sheehan; 'What's in the News' - Myra Brennels; recreation committee - Cheryl Soetaert and Leslie McGillis; lunch convener - Connie Iske. Our competent leader, Joan Perrott, was re-elected for another year. Adult leaders were appointed to head the various groups. Also our four junior leaders will be assisting the various groups with their work.

Congratulations to our new executive, who I'm sure will come up with some new and exciting ideas for the coming year.

Prominent Namao farmer passes

JOHN R. CROZIER

On October 12, 1973 after a short illness, John Rutherford Crozier of R.R. #2, St. Albert, (Namao), passed away at 79 years of age. Funeral services were held on Monday, October 15

from Norwood United Church with Reverend Harold Black officiating. Interment was in the family plot in Namao Cemetery.

John was born in Olathe, Kansas, August 10, 1894 his family came to Canada in 1898 to settle in the Namao district on "Cutback Farm." Going to Edmonton for his high schooling he became quite prominent in athletics including broad-jumping, high jumping, rugby and soccer. In 1916-19 he was the centre and captain of the winning YMCA basketball team

the Champions of Western Canada and played for the soccer team against visiting teams from England and Scotland. His keen participation and interest in sports culminated with his admission to the Edmonton Sports Hall of Fame in 1962.

For the past 50 years, with his family, he operated a dairy farm and in 1960 the John Crozier family received

one of the Alberta Master Farm Family Awards. Through the years he served on many economic and agricultural committees, acting as President of the Alberta Dairyman's Association in 1954. He was later presented a life membership in the Association.

He was instrumental in the establishment of an artificial insemination program

for dairy herds in the Edmonton area serving as chairman of the Artificial Breeding Association. Mr. Crozier acted as president of the F.U.A., vice-president of the Milk Foundation of Edmonton and was a committee chairman of the Agricultural Division of the Edmonton Chamber of Commerce.

He was a life member of the Northern Alberta Old Timers Association and served as a councillor in the M.D. of Sturgeon for seven years.

Mr. and Mrs. Crozier celebrated their golden wedding anniversary on December 21, 1970. He is survived by his loving wife Isabel; three sons and three daughters-in-law; John C. (Bud) and Norma, Chester P. and Mae, all of Namao, Marcus R. and Alice of Banff, one daughter and son-in-law - Shirley and Ian Watson of Fort Saskatchewan; six grandchildren, Alan and his wife Susan, Lenard, Ronald, Pamela, Irene and Duncan. He was predeceased by his grandson Brian Watson in 1972.

Mr. and Mrs. Thomas McCann were married last month in Norwood United Church, Edmonton. The bride is the former Debra Lynn Davies, daughter of Mr. and Mrs. David Davies, and Thomas is the son of Mr. and Mrs. Robert McCann. Debra's mother was well known in Calahoo and she is also a niece of Mr. and Mrs. Pete McLeod. The couple are making their home in Edmonton.

sheep to trailer items come in for Calahoo Auction

By Liz McLeod

Auctioneer Eddy Walker will be a very busy man when the West Sturgeon Agricultural Society sponsor their gigantic auction at the Calahoo Sports Grounds on October 27 starting at 1 p.m.

President Stanley Walker, 1st vice-president, Edmo Berube, 2nd vice-president, Bernie Ross have really got the ball rolling for the Hard Times Auction and organized teams will be out canvassing for consignments and/or donations again this weekend.

Block-up can be arranged for any item by calling any of the above executives.

Some of the items already donated are calves, ewes, pigs, oil furnace, oil stove, wood and coal cookstove and heater, vegetables, new ceiling tile, 8 ft. by 35 ft. house trailer, plasterboard and antique one gallon crock.

The consignment list will be out next week.

To make the event an interesting and fun day for everybody in the whole area, a number of events have been arranged in conjunction with the Auction.

A Seed Show is being sponsored by Loufarn, and the Calahoo branch of the Women's Institute have arranged a display of handicrafts. Home baking and canning will be featured by the St. Catherine Ladies and district women are providing afternoon tea and a hot beef supper, which will be laid on in the church basement from 5 p.m. Both the Gazebo and concession booth will have refreshments as well. However the show planned for the Kiddies had to be moved to another date.

A Hard Times Dance in the evening will conclude the big day, with ribbons for the best costumes. Anyone too young to remember the 'make-do' styles of the depression years can get lots of ideas by asking anyone over 40.

With every group in full support of this community effort, the Hard Times Day could be Calahoo's largest ever event and a huge crowd would certainly give a big boost to a new 'Calahoo Multiple.' Application has also been made by the West Sturgeon Agricultural Society for government assistance with the project.

Calahoo District Column

By Liz McLeod

A wonderful weekend was realized by the Ferdinand Lischewski when they joined their children and their families for a trip to Grande Cache to attend the wedding of Mrs. Lischewski's nephew, Bobby Blitner of Bralorne, B.C.

Together with Gertrude and Gordon Bergstrelser, Johanna and John Borie and Arthur and Valerie they made the trip in two cars, booking reservations for what turned out to be a wedding plus family reunion.

This was a colorful ceremony, since the bride had her five sisters and young brother all included in the wedding party. The choir (12 in all) rendered two songs beautifully and were a picture in their red full length gowns with white wide cuffs and collars.

OFFICE SPACE FOR RENT

Report From Bon Accord

By Sadie Allen

Reorganization of the Bon Accord 4H Clothing Club took place at the home of club leader, Mrs. Joanne Louton on October 2, 1973. Business meetings will be held every second Tuesday evening at the homes of the club members. The work meetings will be held on the fourth Saturday of the month in the basement of the Community Centre.

Registration of members and the election of officers for the B.A. 4H Clothing Club was held at the home of Mr. and Mrs. Peter Bojehko on Tuesday, Oct. 8. Club executive are: President, Lori Pawluk, vice-president, Marsha Rigney; secretary, Cynthia Bojehko; treasurer, Wendy Lewis; club reporter, Janet Mulligan; club librarian - Lorna Carleton; club representative Lydia Uchacz. During the summer Lori Pawluk attended Club Week. Delegate to Camp He Ho Ha was Cynthia Bojehko. The next business meeting will be held at Lorna Carleton's. The work meeting will be held on October 27 at the Community Centre starting at 1 o'clock. This report was submitted by club reporter, Janet Mulligan.

Other members of the club are Kim Reynolds, Karen Almquist and Connie Krey. Assistant leaders this year are Rita Milligan and Elaine Whitson.

Members of the Ladies

Community Club met at the home of Mrs. Carol Rivet on October 1st. The meeting was called nine days early to double-check plans for the Thanksgiving supper. The supper was very successful, with many new patrons as well as the old faithfuls in attendance. Co-operation of both country and village residents by their donations of food and assistance was greatly appreciated. A special thank you to the many new residents who turned out to help. Plans for the fall ball, November 9 were completed. Tickets are now available from any club member. The next meeting will be held on November 14 at the home of Ella McCullough. Hostess prize was won by Thalia Critchley.

Reorganization of the Bon Accord 4H Light House Club will be held at the B.A. Community Centre on Sunday, October 21 at 2 p.m.

A course in flower craft is currently being held at the community centre with 22 registered. Mabel Veran, Olga Ferbey, Pat Relchie, Doreen Pawluk, Sandy McDougall and Mary LeBlanc attended leadership courses sponsored by the municipal recreation department at Camp He Ho Ha last weekend. The girls brushed up on antiques and refinishing of furniture, copper enamelling, hobbies, crafts, yoga and playschool instruction. The courses taken will be offered

ered soon to district residents.

The Ladies Community Club welcoming committee-Betty West, Elaine Whitson and June Seredak, attended coffee parties on Monday, October 1st at the home of Mrs. Gail Burnham with 18 ladies present and on Wednesday, October 3 at the home of Mrs. Nancy Hobbs with 12 present. The meetings were very informative for both the welcoming committee and those being welcomed. A special thank you to hostesses Gail and Nancy. If you have any questions regarding community activities call Betty West at - 298-3638.

The district was saddened to hear of the tragic death of Mr. Mike Dowhanluk in a car accident over the weekend and extend their deepest sympathy to members of his family.

A course in accessories and styles dealing with current clothing styles and fabrics, wardrobe planning, consumer education and inexpensive accessories to make and buy is presently being offered at the community centre on Wednesday afternoons from 2 to 3:30 p.m. The course will also deal with children's clothing. Registration fee is \$2.

A final reminder of the minor sports supper being held on November 3 - the deadline for getting your tickets is October 20 so that amount of food necessary can be gauged. Players, coaches and their spouses get complimentary tickets. The midget girls will be officially presented with the Provincial trophy they won at Lethbridge at the supper. Let's all turn out and show all the young people we're proud of them. For tickets phone 298-3581 or 298-3541.

Bingo crowds are improving. The jackpot is now \$50 and 55 numbers. Bingos are a regular Sunday night feature, time 7 p.m.

Midget champs were guests of honor at a chicken dinner at the home of coach Gail Critchley on Saturday, October 13. A happy coincidence was CHED naming Gail, CHED's Good Girl of the Day on Saturday. Congratulations, Gail! A special

NAMAO NEWS

By Norma Crozier

Namao School and Community League will hold a "Hard Time" dance in the school auditorium on Saturday, October 27 from 9 p.m. to 1 a.m. with music by the Sateelites. Lunch and snacks will be served. Tickets are \$8 per couple and are available at Johnny's Store, Howard Samis Garage or from Vera Huber at 799-3849.

Get well wishes of the district to Mrs. Bertha Speers who is a patient in Royal Alexandra Hospital and to Mrs. Ada Potter. May they both enjoy better health soon.

Namao UCW are sponsoring a drive for Bissell Centre and the Rehabilitation Centre once again. Articles may be left at the church from Nov. 12 - 16.

Daryl McBurney has returned home from a five month trip to Europe. He was accompanied by Lloyd Price of Lethbridge. They toured all of Western Europe Yugoslavia, Greece and Scandinavia.

Namao 4H Light Horse

thank you from Gail to her girls for sending her name in to CHED and also for the fine co-operation they have given her as their coach.

More about the halloween party - no tickets will be issued after Saturday, Oct. 20 as treat co-ordinators need that much time to arrange for the amount of supplies needed. If you haven't arranged for yours, do it today. Instead of two program from the Citadel as previously announced there will be one program only, to start at 8 o'clock.

Club held its organizational meeting on October 12 at Namao School with 24 members present. Leader of the club is Sharon Davis and assistant leader - Mrs. Doreen Pearce. President - Jennifer Bess; vice-president, Karen Crozier; secretary - Janice Wilson; treasurer - Valerie Blamire; reporter - Anna Huber; country rep., Sharon Davis and Betty Gibson; food committee, Bernadette Huber, Cory Stanton, Jennifer Strong; phone com-

mittee - Margaret Forrest, Kim Crozier; rec. committee - Claude Sibiak; Roddle Forrest; adult committee, Mrs. Doreen Pearce, Mrs. M. Davis, Mrs. D. Stanton, Mrs. L. Huber, Mrs. N. Blamire, Mrs. J. Forrest. An executive meeting will be held October 17 at 7:30 p.m. at Mrs. M. Davis's home. The next full meeting for all members will be held November 14 at 7:30 p.m. in the Namao Community Hall. Everyone welcome.

Alcomdale 4H

By Margaret Mensink

On September 26, the Alcomdale 4H Clothing Club held a regular meeting at the home of Mrs. J. Kyle. The meeting started at 7:50 with Rita leading the members in the pledge.

It was decided to have a regular meeting on October 10 at the home of Mrs. Selb at 7:30. Leader and assistant leader chosen were Mrs. Busenits and Mrs. Mensink. Nominations were open and Kathy was picked to receive club mail. The club voted to have frosh on the

November business meeting. The members who will be getting frosh are Connie and Sofie. Rita moved that the meeting be adjourned at 8:40 and a delicious lunch was served.

IT'S ENOUGH TO MAKE YOU BURN

Never put stove oil in a container that's held gasoline

Fuel oil by itself is slow to burn. But only a few drops of gasoline left in a container to which oil is added creates a highly combustible situation. Resulting fumes can easily be ignited when any oil gas combination is put in burners or is exposed to any flame, spark, or hot surface of machinery.

There's a safer way

Mark your containers clearly "GASOLINE ONLY" and "FUEL OIL ONLY". Be present when fuel oil or gasoline is delivered to supervise storage. Advise others of these safety precautions.

This message is brought to you in the interest of fire prevention by the Fire Commissioner's Office of the Province of Alberta.

REPORT FROM GIBBONS

By Ron Coley

The Rangers tea and bake sale has been postponed from Saturday, Nov. 3 to Saturday, Nov. 17. Please make a note of this change.

Recently John and Janet Vanderspoel had unexpected visitors as a result of that gas well that blew out of control near New Norway. The well, located on the Klassen farm is just across the fence from the farm of Janet's uncle, Stan Peterson. Another uncle of Janet's, Mr. Arnold Leland was visiting and was out duck hunting quite close to the well when it blew. He was not injured. As a result of the evacuation of the area, John and Janet had quite a house full. Staying with them were Janet's parents, Mr. and Mrs. John Augustin, sister, Judy and brother Jim and Mr. and Mrs. Arnold Leland.

All you folks in the Gibbons area don't forget the ACW turkey supper on Oct. 20 from 5:30 to 8 p.m.

Don Rurak tells me not one person has come forward to volunteer help with the outdoor rink. At this rate it looks like there are not too many parents interested in their children's skating and hockey this winter. Also Joe Krupa painted the whole rink by himself with no volunteers coming forward.

During Fire Prevention Week there was one call, but it was a false alarm. The volunteer firemen conducted their house to house inspection with very good results.

The next meeting of the Last Roundup Senior Citizens Club will be held on Thursday, Oct. 25 at 2 p.m. in the Gibbons Legion Hall. Mr. Laurent Coulombe, Sturgeon recreation director, will show slides taken on his trip to southern Alberta. In August, anyone 60 or over is welcome to attend.

Brownies got under way on Oct. 3. There were 45 brownies registered. The leaders are Lori Grant (Brown Owl); Ada McLean (Brown Owl); Heather Grant (Pacicle). The new helpers are Carol Machalek and Linda Frazer. Due to the increase of the Brownie Pack the leaders would appreciate help from the mothers. Anyone willing to help can call Lori Grant (Brown Owl) at 799-5968. The leaders would

like to thank Mrs. Jean Archer for her help at their last meeting on Oct. 10.

Mr. and Mrs. Tom Coley have again left for the warm climate of Phoenix, Arizona to spend the winter. They departed from Gibbons, Saturday, Oct. 13 at 6 a.m.

Joe Nault elected Mayor of Legal

On October 9, 1973, Mr. Joseph Nault was elected by council to act as mayor and Mr. Arthur Morin as deputy mayor for the year 1973-74. Having served as deputy mayor for eight years, Mr. Nault has a very good knowledge of his new duties. Mr. Morin, relatively new on council looks forward to the challenges of his new position.

The council and ratepayers of Legal extended best wishes to Mr. Nault and Mr. Morin in their new positions.

To the former mayor, Leon St. Martin, sincere thanks was expressed for the services rendered and co-operative given council while in office. Mr. St. Martin will remain as part of council for the remaining term.

Gibbons couple take 9-day trip

By Ron Coley

An unusual happening came to my attention last week. Mr. and Mrs. David Blais of 4914 - 47 Street, Gibbons told me of their holiday this past summer. Equipped with a raft, pup tent, drinking water and dry clothes, they left on June 30, from the Fort Saskatchewan bridge, destination North Battleford, Saskatchewan.

They had christened the raft, they had made themselves, "Lambswool." They had no oars, just a long pole to keep their raft from hitting objects. At times they found it difficult to maneuver around bridge pillars, sandbars and over and under ferry cables. Karen did her share of the work in pulling the raft. The journey was without mishap although they did lose their chair when it was swept overboard, in rough water.

Meals were eaten on the raft and only two of the

Much like the early pioneers, Karen and David Blais of Gibbons travelled by raft down the North Saskatchewan River from Fort Saskatchewan to North Battleford, Saskatchewan. The journey taking them nine days.

nine nights were spent off the raft. They slept in the pup tent and sprayed the interior with repellent so they could find some comfort

from the mosquitoes. The picture was taken at the old Paynton Ferry crossing, not too far from North Battleford, by Mrs. Philippe Hamel, who lives near the crossing. The Hamels said they have seen assorted craft on the river but this was the first time in their experience they had seen a young woman accompanying her husband on a raft.

LEGAL LOCALS

By Lucienne Montpitt

Sincere condolences to Mr. and Mrs. Joseph Nault who are mourning the loss of their brother-in-law Mr. George Frinske from Edmonton who passed away on October 12 at the age of 40 years.

The members of the Club 60 Buses are urging you to buy your tickets now for their Bean Supper and dance that will be held on October 26 at the community hall. Make it a family outing and it will help our senior citizens to set up their clubhouse. Mrs. Jos. L'Heureux, Mrs. Wil-

fred Barry or Mrs. Diane Remillard.

Les Femmes Chretiennes will hold an afternoon bingo at the Chateau Sturgeon on October 21 at 1:30 p.m. Proceeds will be for the senior citizens Christmas party. Admission \$1 for 12 games. Cash prizes. Everyone welcome.

The graduation exercises were held last Saturday, special congratulations to all the graduates for completing their years of education, and best wishes in your new work and professions.

Rasko heads Gibbons 4-H

By Jeanne Laplante

Funeral services were held on October 12 for Mrs. Marlene Sabourin, 30 years of age, who passed away on October 7. Rev. F. Croteau officiated assisted by Rev. F. Raab in Our Lady of Victories Church, Vimy. Interment followed in the local church cemetery.

Mrs. Sabourin, being community minded was active in many organizations namely Westlock Recreation Board, President of the CWL, Community League board member and playground teacher. She leaves to mourn her loss, her loving husband Robert, four daughters, Donna, Suzanne, Mona and Toni and three sons, Michael, Norman and Donald all at home and her mother Mrs. M. Clements, Linaria.

Pallbearers were Leonard Blanchette, Ric Clement,

Gerry Rouleau, Terry Clement, Louis Sabourin, Roger Sabourin.

Western Funeral Services (Edmonton) were in charge of arrangements.

To the bereaved families our deepest heartfelt sympathies.

THE SCHOOL ELECTION ACT

FORM 7

(SECTION 43)

NOMINATION OATH

Sturgeon School Division
No. 24

Public Notice is hereby given that I will attend at the School Division Office at Morinville, Alberta on Wednesday the 31st day of October, 1973 from TEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving nomination of candidates for the office of trustee for Subdivision No. 2.

Given under my hand at Morinville, Alberta this 11th day of October, 1973.

W. J. KIBBLEWHITE,
RETURNING OFFICER.

Nomination Papers (Form 8) The School Election Act (Section 44) are available from the above named returning officer or at the Divisional Office.

\$25.00 cash or certified cheque deposit must accompany each nomination paper submitted.

Gibbons council accepts resignation

Mr. Carl Royan, recreation director, attended the Oct. 10 meeting of the Village of Gibbons Council to discuss the regional planning budget

for the remainder of the year as well as other points of interest. A motion was passed to pay the 1973 resignation to the board.

Councillor Gladys Morin submitted her resignation as a councillor because the family is moving to Fort Saskatchewan. The council accepted her resignation and wished her well in her new home.

Mrs. Alward from Saralee Developments was present to discuss the starting of their development and to finalize some plans. Permission was granted to build a few duplex homes on lots large enough to accommodate these structures. Lots are available for private buyers to construct individual homes and information can now be requested from the village office.

Mr. Les Pearce and Randy Pearce came to the meeting to discuss prices on land required by the village in future at the sewer lagoon site. A price was agreed upon and a survey will be taken immediately to determine the number of acres to be transferred. Mr. Pearce was granted permission to continue farming this land until needed by the village, so that weeds will be kept down.

Bylaw 170 was read and discussed and council felt that enough money should be borrowed to include the curling rink in the arena. Because of the state of the present building, money used to repair this building would be better spent in construction of a new rink. Mr. K. Sallsbury was contacted regarding the purchase of about two acres of land along the CNR right of way for a roadway to the new sewer lagoon area and a price was agreed on. As soon as surveying can be done the transfer of this roadway will take place.

An organization meeting of council was scheduled for Wednesday, October 17.

Eugene & Albino Theroux celebrate golden wedding

Mr. and Mrs. Eugene Theroux leave St. Emile's Church following their 50th wedding anniversary mass in a conveyance well suited to the special occasion, while friends look on with approval.

By Lucienne Montpetit

Legal St. Emile's Church was the scene of a lovely nuptial mass when Mr. and Mrs. Eugene Theroux renewed their wedding vows on the occasion of their 50th wedding anniversary.

Father Richard Theroux, a nephew, celebrated the mass for the happy occasion. The bride and groom were attended by Mrs. Olive Tessier, bridesmaid of 50 years ago and Mr. Alcide Theroux.

Mr. Eugene Theroux was born in Wetaskiwin in 1901. Later his family moved to Warwick on a farm and on Sept. 23, 1923 he married the former Albina Lapierre who was born in Montreal in 1901. Her parents came and settled in the Brosseau district in 1904.

The couple farmed in the Warwick district till they moved to Legal in 1947. They purchased Paul Boisvert's store and managed it from 1947 - 1960. Mr. Theroux was employed in Edmonton for several years, returning to work in Legal. Very active at 72 Mr. Theroux is still very capable and is always ready to help anyone needing him. Mrs. Theroux is keeping busy doing crafts of all kinds in her leisure time.

Mr. and Mrs. Theroux are proud of their family of 10 children, Bernard, Mrs. Laurence Normandeau, Mrs.

Ida Durant, Mrs. Lina Pelletier, Mrs. Alice Budzinski, Mrs. Annette MacInnes, Mrs. Rita Jacobson Aurore (deceased) Leo and Denis. The family - numbers 27 grandchildren, one great grandchild most of whom were present at the golden celebration.

After the ceremony the couple were surprised to be driven to the hall in a buggy pulled by a pony owned by Raul St. Jean. It brought back many memories. The guests assembled at the Community Hall for a banquet followed by a dance attended by some 175 friends and relatives. Bernard Theroux the oldest son was master of ceremonies with Leo Theroux proposing the toast.

The children presented their parents with a gold plaque with all their names engraved on it.

Congratulatory messages were received from Pope Paul, Hon. Peter Lougheed, Premier of Alberta; Hon. Grant MacEwan - Lt.-Governor of Alberta.

The community would like to congratulate Mr. and Mrs. Theroux on this happy occasion and wish them many more years of continued health and happiness.

so that a schedule may be set up. There will be a new course for Candy Strippers starting in January. WATCH FOR THE REGISTRATION DATE

FEEL GOOD ABOUT TOMORROW

WHAT DOES TOMORROW MEAN TO YOU?
A good education for your children? A trip across Canada? A secure and happy retirement? Whatever tomorrow means to you, you can plan for it today with Canada Savings Bonds. They're Canada's most popular personal investment.

EASY TO BUY:

For cash or on instalments at any Bank or authorized Investment Dealer, Stock Broker, Trust or Loan Company and Credit Union. And at work on the Payroll Savings Plan. They are available in amounts ranging from \$50 up to a limit of \$50,000.

SIMPLE TO CASH:

Canada Savings Bonds are instant cash. They are redeemable anytime at their full face value plus earned interest.

GOOD TO KEEP:

Canada Savings Bonds are safe - backed by all the resources of Canada. And they pay good interest year after year.

7.54%
average annual interest to maturity

BUY CANADA SAVINGS BONDS TODAY

New Canada Savings Bonds yield an average of 7.54% a year when held to maturity. Each \$100 Bond pays \$7.00 interest for the first year, \$7.50 for each of the next six years, \$7.75 for each of the following three years, and \$8.00 for each of the last two years.

On top of this you can earn interest on your interest and make each \$100 grow to \$239.50 in just 12 years.

So whatever tomorrow means to you and your family, plan for it today with Canada Savings Bonds. You'll be glad you did.
